

The Girl Who Left: A page-turning psychological thriller packed with secrets By Jenny Blackhurst

The girl you left behind pdf

Absolutely fabulous read *The Girl Who Left*: A page-turning psychological thriller packed with secrets. On July 18th twenty five years ago Kathryn Bowen's father Patrick admitted to taking 5 year old Elsie Button and killing her. **The girl he left behind book** When five year old Elsie Button was snatched from a garden in a sleepy town on the Welsh island of Anglesey and a local man later confessed it sent shockwaves through the tight knit community. **The girl who left book** She is haunted by the question: why did he kill Elsie? When another child is taken from the same garden twenty five years to the day of Elsie's murder Kathryn is determined that this time she'll be on the right side. **The girl who left home book** *The Girl Who Left*: A page-turning psychological thriller packed with secrets. First time reading Jenny Blackhurst but will definitely not be my last excellent storyline with interesting characters and great personalities created for each of them. **The girl who left home book** Now another girl comes back...Five year old Elsie Button disappeared back in 1994 on the Welsh island of Anglesey a local man confessed to killing her but her body has never been found it rocked the local community especially as the perpetrator was the father of Elsie's best friend Kathryn. **The girl you left behind book** Fast forward twenty five years to the day and another little girl has been taken from the same garden Kathryn is determined to help find her so returns to the town for the first time since Elsie disappeared but she's not prepared for the welcome she gets from some of the locals and someone is desperate to stop her uncovering the truth!*The Girl Who Left* hits the ground running right from chapter one the story is a dual narrative told from the perspectives of Kathryn and DI Maggie Grant the detective covering the investigation of missing five year old Abigail Warner. **The girl who left through time** Kathryn has never been able to move on from the death of her best friend back in 1994 so to have this happen twenty five years later to Abigail a girl so similar in description to Elsie dredges everything back up again and she knows she has to return to Anglesey to get some answers. **The girl who left home** I had my own theory as to what happened to Elsie but I was so way off the mark although I did have my suspicions like others about one particular person but once again I was wrong and this is what Blackhurst does with her stories she throws in red herrings and twists which keeps you second guessing and on the edge of your seat throughout. **The girl they left behind book** The premise is clever the chapters are seamless the characters are solid and I'd love to see of Maggie in future books she's a real kick ass detective who reminds me of Angie Marsons Kim Stone and I think she has a future! It's been three years since this authors last book but it was well worth the wait I loved it. **The girl who left home** This book pulls you in straight from the start; you instantly feel for Kathryn whose five year old best friend Elsie was murdered 25 years ago and who's now returning to the scene for the first time coincidentally (?) as another local five year old girl is reported missing. **The girl they left behind book** My first book from Blackhurst she really left a mark on me with this story! Immediately drawn

in and instantly hooked by this compelling psychological thriller with a brilliant twist I couldn't have asked for , **Third girl from the left book** Kathryn was also 5 years old and Elsie was her best friend, **The girl they left behind book** Patrick is in prison and each year Kathryn visits him asking what he did with Elsie, **The girl who left jenny blackhurst** The crime was so scandalous that Kathryn always has to hide out on the anniversary of Elsie's disappearance. **The girl left behind book** Her older brother Jordan always checks in with Kathryn on the anniversary, **The girl who left jenny blackhurst** She has not kept in touch with her mother but the family moved from their home after the crime. **The girl who left home book** This year another child 5 year old girl Abigail Warner has gone missing from her yard. **The girl who left book** It so happens that the family lives in the house where the original crime happened. **The girl who left home book** Now DI Maggie Grant is on the case and they are working frantically to find the missing child: **The girl who left jenny blackhurst** Kathryn decides to return to the town and hoping no one will recognize her help to find the missing girl: **The girl left behind book emily gunnis** But some people do recognize her and are determined to get her to leave town: **The girl who left through time** However Kathryn is equally as stubborn wanting to learn and help if possible, **The girl you left behind pdf** As she learns from the people close to her family during that time an explosive truth reveals itself leaving her devastated: **The girl left behind book** I thought I had figured out the ending but was totally wrong: **The girl they left behind book** While this is a scary and action filled book I couldn't help but feel bad for all those involved in this sad story. **The girl who left book** The Girl Who Left: A page-turning psychological thriller packed with secrets JULY 2022 : 4 STARS. **The girl he left behind book** How could one of their own do such a thing? Especially when his own little girl was the same age - and the victim's best friend. **The girl who left through time** Kathryn and her family left under the cloak of darkness one night unable to bear the shame and the anger of their neighbours: **Third girl from the left book** Now she suffers the consequences of living under an assumed name always looking over her shoulder. **The girl they left behind book** Her dad has not spoken a word to her since he went to prison: **The girl left behind book emily gunnis** She'll join the search and atone for her father's deed and maybe just maybe get the answers she wants. **The girl who left home book** But she's not prepared for the long memory of the locals nor the risks of going back. **The girl who left through time** Not everyone on the island wants the truth to come out and they'll go to extreme lengths to stop that from happening: **The girl he left behind book** REVIEW: First two books by this author were Before I Let You In ('16 Read 18 4 Stars) and How I Left You ('14 Read '18 5 Stars). **The girl left behind book** She's sleeping with someone who is married and they're sleeping in his bed when the wife is out working, **The girl who left book** Their relationship is not a big part of this book but I wouldn't read another book with this character in it: **The girl who left jenny blackhurst** I still gave a 4 star rating since I did enjoy the road to the end: **The girl left behind book** The Girl Who Left: A page-turning psychological thriller packed with secrets This was a good book, **The girl who left home** The ending was certainly a surprise to me and I read enough 'psychological thrillers' to say that it's not often that I am totally caught off guard about who did it: **The girl who left jenny blackhurst** Blackhurst and will seek her out again as an author worth reading. **The girl who left by debra gavanich** The Girl Who Left: A page-turning psychological thriller packed with secrets It took me a good few pages to get into it but what a story: **The girl who left jenny blackhurst** I never suspected who the culprit was (no spoiler alerts here) and I'm still shocked at the outcome, **The girl they left behind book** The ending had me shouting noooo this definitely needs a sequel, **The girl who left home book** The Girl Who Left: A page-turning psychological thriller packed with secrets Jenny Blackhurst's best: **The girl who left jenny blackhurst** I really resonated with all the characters they were fantastic for sure: **The girl who left jenny blackhurst** I'd definitely say this was Jenny's best I inhaled it two sittings: **The girl left behind book** The Girl Who Left: A page-turning psychological thriller packed with secrets Twenty five years ago a local girl went missing. **The girl who left jenny blackhurst** Unable to deal with the fallout from the murder Kathryn and her family left town and her father refuses to tell her where Elsie is buried or even why he did it: **The girl who left book** The Girl Who Left: A page-

turning psychological thriller packed with secrets Another gripping read from this great author, **The girl they left behind book** Struggling with her feelings for her own father who confessed to killing Elsie Kathryn is determined to help find this new victim, **The girl who left home book** What you could never expect is the twist the search takes and the eventual outcome. **The girl left behind book** Another brilliant book from Jenny Blackhurst who just gets better and better: **The girl who left through time** The Girl Who Left: A page-turning psychological thriller packed with secrets "One goes missing...One comes home..."I was completely consumed by this story. **The girl they left behind book** Desperate to learn the truth I couldn't turn the pages fast enough as I was taken down a path of secrets and lies not knowing who to trust: **The girl he left behind book** The tension and suspense is off the charts the characters are well fleshed out and brought to life and its execution is just flawless. **The girl who left jenny blackhurst** I am so pleased to have been introduced to her work and I look forward to reading : **Third girl from the left book** The Girl Who Left: A page-turning psychological thriller packed with secrets The Girl Who Left: A page-turning psychological thriller packed with secrets.

. He never answers her.I voluntarily reviewed an Advanced Reader Copy of this book. She hardly remembers that time. Within the first 5% I hate the main woman cop Maggie. Don't worry I hate him just as much. Good solid mystery. I definitely wanted a complete ending. I enjoyed it even though it was predictable. I won this book from Goodreads. Thank you. =). Again great story glad to have discovered Ms. Fabulous book read it you'll not be disappointed
