. But not exactly demons either.They are a kind of parallel entity to humans. But not exactly demons either.They are a kind of parallel entity to humans. It’s not what I expected and not a reliable book. I will explain that in a moment. For others it is quite enriching. However more often than not they are neither of these 3. They are unto a class of their own. In folklore they are known as Jinn also known

as Djinn. The word genie is derived from the word Jinn. Aladdin when he rubbed his lamp was speaking to a Jinn. In the west Jinn are very much misunderstood. Often we associate them with demons or devils. Before I continue however I'd like to give a warning. I will explain that in a moment. For others it is quite enriching.
