

1001 Cars to Dream of Driving Before You Die By Simon Heptinstall

Appealing to all car lovers from vintage car spotters to armchair petrol heads this title brings you the world's best cars - Chevrolets from the United States MGs from Italy Toyotas from Japan Porsches from Germany Aston Martins from the UK and Holdens from Australia, 1001 Cars to Dream of Driving Before You Die Another from 1001 series. I am always fascinated by cars and this book was like a journey to the wonderland. A book is arranged chronologically which makes it easy to understand how cars modified over the years. English Little bit spread and disagree with a few models but mostly it is the best wish list ever English

. Cars. Vruuummmmm. Thoroughly enjoyed reading it. A must have for all car lovers
