I am an 18 year old Dominican author. Not too serious. I read it to my daughter that seemed to like it. Alex must be taught by a formidable Dragon Shadow. Extremely fun read. That is until they meet Alex Kerm. He is a guy after my own heart. He does not know what to make of his new status. The book is good. The story is compelling and completely makes us for it. The author is also only 19 years old. It seemed the book was over before I knew it. I can not wait till the next one. The Dragon Knight Order (The Dragon Knight Order #1).
