

Blood Promise: The Graphic Novel (Vampire Academy: The Graphic Novel, #4) By Richelle Mead

i love it I want more please!!!!!!! Blood Promise: The Graphic Novel (Vampire Academy: The Graphic Novel #4) The fourth book in the series of New York Times best-selling adaptations of Richelle Mead's Vampire Academy. Blood Promise: The Graphic Novel (Vampire Academy: The Graphic Novel #4) I'm so sad this one isn't being made ☹ Blood Promise: The Graphic Novel (Vampire Academy: The Graphic Novel #4) 2014? DAMMIT! CAN'T FREAKING WAIT THAT LONG! YOU KNOW WHAT? I REFUSE TO FINISH SHADOW KISS! I DON'T THINK I CAN COPE WITH IT IF I DO THAT. CAN I KNOW AT LEAST THE EXACT RELEASE DATE PLEASE? PLEASE? Blood Promise: The Graphic Novel (Vampire Academy: The Graphic Novel #4) I am still so disappointed that the next 3 books won't be made into graphic novels. WHY oh WHY must you have taunted me with such good renderings of the characters only to rip the last three books away?! Can't we the true fans make the decision for you? If I pre-ordered the last three graphic novels RIGHT NOW would you make them? I don't even care if it was double the price. Blood Promise: The Graphic Novel (Vampire Academy: The Graphic Novel #4) Still no concrete news on the Blood Promise graphic novel apparently they are not selling very well and are not sure a fourth will be made. It's like your nightmare actually coming true—where the series really DOES end with Shadow Kiss! The first VA graphic novel sold decently but the Frostbite graphic novel was so-so which astounds me since I actually think that's a more action-packed book. I don't know about you but I'm chomping at the bit to see Emma draw Sydney Yeva Abe(!) and all the others we meet in BP—not to mention Rose traipsing through the Russian countryside and battling you-know-who. Also to see their fight on the bridge was one of my favorite scenes to read the way it was described in the book was amazing and I would love to see how it could be drawn out! Hope it comes out sometime soon!!! Blood Promise: The Graphic Novel (Vampire Academy: The Graphic Novel #4) Scorpio Richelle Mead is a New York Times and USA Today bestselling author of urban fantasy books for both adults and teens. Richelle said at the Yalfest 2015 that the graphic novel wouldn't be made since the previous books didn't get enough success. Honestly! I absolutely HATE HATE HATE having the first half of the series and the other half missing. \*SAD FACE\*\*2021 Update Below\*It's 2021 five years after my initial rant about crowdfunding, It still frustrates me when I look at them that the set is only half complete because to me it is actually half empty. I would still gladly pay double the price if there was a crowd-funded guarantee of the remaining graphic novels being released to those who pre-ordered them. I'm nearly 28 years old and this series is still one of my favorites. Last I heard there are no concrete plans to make a BP graphic novel, If Shadow Kiss doesn't perform better my publisher doesn't expect to be making a fourth graphic novel. " Blood Promise: The Graphic Novel (Vampire Academy: The Graphic Novel #4) I want to read it so bad: To be able to see Dimitri as a Strigoi and to also see Rose slowly under his control and then break free. I still own all three of the original graphic novels. Well here's the thing. {site\_link}.
