

Cruel Sacrifice By Aphrodite Jones **Cruel sacrifice kindle free** One thing I didn't like is that Aphrodite focused too much on Melinda loveless and her family: SHANDA SHARER was the victim and hardly any pictures of her was in this book and she was hardly talked about as well. **Is animal sacrifice allowed in hinduism** And Gary Loveless was so sick and deranged was he held too much as a kid or was he not held at all? How he treated his wife kids women in general it was uncalled for. **Cruel sacrifice full book** Shanda Sharer was a 12 year old baby(I have a daughter and at 12 she was still my baby) who endured an unimaginable death that I will not describe here because I don't like it on GR when reviews explain the entire book. **Book about sacrifice** It is written with input from the killers family court testimony Psychiatry notes and interviews from people indirectly involved in the lives of the teenage girls who committed this horrible act. **Nonfiction cruel sacrifice book** The beginning of this story details the night of January 10th 1992 when four teenage girls tricked a 5th into getting in their car and proceeded to spend the rest of the night engaging in beating torturing and eventually burning alive the girl they'd tricked. **Cruel sacrifice epub download** The final part of the story tells of Melinda's main accomplice Laurie Tacket and her childhood with a strict religious upbringing accounts from friends regarding her instability and information about time she spend receiving mental health care before the crime. **Book about sacrifice** After reading the details of Shanda's murder a murder Melinda planned and carries out over the most trivial things the last thing I wanted to see were her families excuses as to why their daughter was a beast. **Cruel sacrifice audiobook** I gave this book 4 stars because of its highly interesting topic however I believe Jones attempt at writing this was poor and only her access to testimonies and other things in the case saved this book. **Cruel sacrifice kindle free** I was left with the feeling that Jones was more interested in getting this book out while the media attention was there rather than telling the story of Shanda's murder and respecting her memory. **Cruel sacrifice aphrodite jones pdf** Crime Nonfiction True Crime True Crime Commemoration # 13Setting: not kidding! My hometown I know all of these streets buildings landmarks This was such a tragedy Crime Nonfiction True Crime First off these 4 girls were so stupid Nonfiction True Crime On a freezing January in 1992 five teenage girls crowded into a car. **Cruel sacrifice book where to watch online free** Veteran true crime journalist Aphrodite Jones reveals the shocking truth behind the most savage crime in Indiana history--A tragic story of twisted love and insane jealousy teen lesbianism and the sadistic ritual killing of a young Innocent girl. **Cruel sacrifice full book** Cruel SacrificeI remember hearing about this case when I was a teenager when 'satanic panic' and homophobia was at an all-time high regarding crimes involving teens and of course it made for sensational courtroom drama for the adults. **Can you sacrifice an exiled creature** This story is horrific & certainly gives insight into how young children start exploring their sexuality how far bullying can go and how psychology is no more closer today in determining what factors create a killer & just how much we rely on such faulty science to determine the culpability of criminals. **Cruel sacrifice true story** This story is a cautionary tale of how far bullying can go and gives one insight into the problems facing youth today when the mob mentality sets in instead today it is for the entire world to see. **Cruel sacrifice true story** Jones spends way too much time on the history of one of the girls where the focus of the book seemed to be rather than the victim the history the crime and the court proceedings. **Is animal sacrifice protected by the first amendment** I have never believed an adult is a product of their childhood seeing as many children in abusive homes become productive law abiding adults and children from stable well provided for homes become deviants of the cruelest kind. **Cruel sea dakotas** What I think Jones touched on but did not explore was the type of society these girls were exposed to being a sleepy quiet town with nothing to do but to create their own entertainment. **Cruel sacrifice true story** It takes too much time on a person's hands to write a cruel blog troll forums attack others and taking it offline no more can that be demonstrated than in this book where hours upon hours were spent plotting torturing and killing a young defenseless girl. **Cruel sacrifice pdf** Here are my thoughts on the book:Plot/Development: Unfortunately I cannot rate the plot because is based on a true crime story which means the plot is not invented but modified even though it needs to be real that doesn't mean they can make it

interesting. **Cruel sacrifice true story** It is divided in three parts; the first one is about how the girls committed the crime which I thought it was really good and made me felt a lot of things and senses. **Cruel sacrifice documentary** The second part was about the background of the girls; sadly this part destroyed all my interest on the book because more than the half of the part is based on Melinda (who Melinda's parents were how did they met the born of her sisters the relationships between them Melinda's family) and later on we see a little bit of the rest but I think it is not very supportive and sometimes I thought I was lost but I wasn't. **Cruel sacrifice book where to watch reddit** The only thing I will say is that everything was perfectly clear and detailed that I'm not sure if it was real but I trust on the author and I really liked her work. **Cruel sacrifice kindle free** The thing that is hardest to deal with and the same question I'm sure Shanda's family must still come to grips with every day is why did this happen? I understand the reasons presented in the book. **Cruel sacrifice isaac** From here I will state that I would recommend this book to readers of true crime psychology and sociology students and academics interested in group phenomenon pack mentality or cult behaviors. **Should we sacrifice freedom for security** This is not to say that the girls were in a cult more like the actions are not unlike those of cult killings the individuals that let the energy of an event supersede their recognition of alternate choices. **Cruel sacrifice epub download** I was a baby dyke into witchcraft but that didn't mean I was going to go on some killing frenzy but at the time I internalized this story as a pathological identifier of the kind of person I was. **Kindle cruel sacrifice pdf** The fact that these girls were seemingly pretty out dykes and/or the weirdo kids at their school I was left with a lot of questions as to how their peers treated them and what that whole situation was like,

## Cruel intentions ending explained

I don't care how scared or young I was nobody was going to make me be a part of a murder, **Is animal sacrifice allowed in hinduism** Marjorie Loveless was a stupid woman who didn't care about her kids all she cared about was herself, **Cruel sacrifice ending explained** In my opinion he wanted to be a woman so bad that he hated himself for not being one and he took out that hate on everyone: **Is animal sacrifice protected by the first amendment** Sick and sad Crime.

**first edition** Simpson Scott Peterson Jon Benet Ramsey Phil Spector and the list goes on: **Cruel sacrifice shanda** {site\_link} I had very mixed feelings about reading any book about Shanda Sharer. **Cruel sacrifice aphrodite jones** My career professionally crossed paths with this case years ago and I wasn't sure I wanted any reminder. **Cruel sacrifice cardmarket** Phil episode about Shanda's mother and the culprits so I decided that was my cue, **Cruel sacrifice kindle free** Because of the heinous matter of this event and the media attention it received this is one of two books written the other called Little Lost Angel by Michael Quinlen: **Cruel summer dnb** Now that I have read both I would suggest either reading this book first or skip altogether and only read the other. **Cruel sacrifice epub download** I have watched Aphrodite Jones on television for years and usually enjoy the process and methods she utilizes with criminal cases but was not impressed here, **Is animal sacrifice allowed in hinduism** Jones briefly very briefly describes the events about Shanda then she isn't mentioned again until around page 135, **Cruel sacrifice shanda** Instead we learn every single life experience of one of her murderers in particular including the entire marriage of that person's parents, **Cruel sacrifice epub free** I know the purpose is to show how life events can play a role in someone's actions but it just became too much, **Cruel sacrifice pdf** It is obvious that the author didn't have the cooperation of the Sharer family unlike the other author, **Kindle cruel sacrifice pdf** By the time the trials occur she has spent so much effort describing every salacious event continuously I am numb to them and that saddens me. **Cruel sacrifice haiku** Please skip this version and read Little Lost Angel instead: **Cruel sacrifice epub download** Crime Nonfiction True Crime Cruel Sacrifice by Aphrodite Jones is a true crime story about the now infamous and tragic Shanda Sharer murder: **Cruel sacrifice epub free** Jones is a well known author who has researched and written about many different crimes: **Is animal sacrifice protected by the first amendment** The main perpetrator and the only girl who actually knew Shanda was Melinda Loveless. **Cruel sacrifice aphrodite jones** The second part of this story is dedicated to her childhood with a main focus on her perverted father and the families troubles as a result of him: **Is animal sacrifice protected by the first amendment** There is also detail at the end regarding the court cases of the 4 girls including part of the actual confession written by Toni Lawrence, **Cruel sacrifice true story** Shanda's murder was tragic and gruesome beyond words and I had to frequently stop and take a breath during the parts telling of the details of her death. **Can you sacrifice indestructible creatures** I had researched this case prior to reading the book so I had an interest at getting a 'behind the scenes' look so to speak, **Can you block then sacrifice creature** For me this book was spoilt by placing such a large emphasis on the Loveless family: **Cruel sacrifice kindle uk** It felt as though Jones was looking for excuses for the girls' actions rather than reasons, **Cruel sacrifice haiku** The loveless family information was provided by Melinda's mother and their is question as to how fabricated the abuse was: **Should we sacrifice freedom for security** There seemed to be no input at all from Shanda's mother Jackie Vaught which I found to be in poor taste and a bad decision on the authors part. **Cruel sacrifice epub download** Jones even goes as far as to accuse Jackie of capitalising and enjoying the media that came with her daughters murder. **Can you block then sacrifice creature** There was also not enough on the court cases as I would have liked to see: **Cruel summer dnb** In terms of how she put it together I was disappointed and its unlikely I will read another book by this author: **Is animal sacrifice protected by the first amendment** Besides this the story is a compelling read of how far people can go with the wrong influences and how quickly teenage situations can spiral out of control, **Cruel sea dakotas** Crime Nonfiction True Crime I read this book about 20 years ago and it still haunts me: **Cruel sacrifice audiobook** I think about that poor little girl begging for her mommy and I still get choked up. **The cruel sea book review** This was also the book that led me to read many more of Aphrodite Jones books: **Cruel sacrifice isaac** By the end of the night only four of them were alive: **Cruel sacrifice full book** The fifth had been tortured and mutilated nearly beyond recognition, **Cruel sacrifice book cast** When the people of Madison Indiana heard that a brutal murder had been committed in their midst they were stunned: **Cruel sacrifice epub free** The four accused murderers were all girls under the age of eighteen: Melinda Loveless Laurie Tackett Hope Rippey and Toni Lawrence.

**Cruel sacrifice true story** The pain the Sharer family endured continues today with the mean girls now women are still not completely owning to their crimes, **Cruel sacrifice true story** As for the writing there are two books written about this case of which I understand the other is far better written than this one, **Cruel sacrifice true story** The writing is not well organized often seeming like summarized notes rather than the full picture which came across simple and hurried: **Cruel sacrifice book shanda** It was clear to tell Jones was rather obsessed with Loveless and seemed to argue a case of her guilt by the environment she was born into: **Cruel sacrifice epub free** Boredom breeds trouble as it is now so easily seen with online bullying. **Cruel sacrifice full book** If a person doesn't have anything better to do what becomes fun might just be down right cruel. **Does sacrifice kill indestructible** Crime Nonfiction True Crime This happened just across the river from Louisville KY and my Uncle lived very close to the place where it happened: **Cruel sacrifice book cast** I don't think that many people understand that evil can be found in girls Crime Nonfiction True Crime 3. **Cruel sacrifice kindle download** 5 Stars This book gained my attention due to the cover factor since it was a 90s vibe as well as pictures of some girls who at that moment I didn't know who they were, **Can you sacrifice indestructible creatures** The story is about four girls: Melinda Laurie Hope and Tony; they committed a crime against Shanda Sharer of twelve years old, **Cruel sacrifice true story** Here is where it comes How come? The development is well created the author tries to tell you the story as if it were another book out there, **Cruel sea dakotas** Characters: I cannot rate the characters because they were not fictional they were actually real people so in this case I will omit my opinion. **Cruel sacrifice epub download** Ending: I didn't know the case this was the first time for me reading it so I think it was a proper time for the girls to spend in jail: **Can you block then sacrifice creature** I think the ending is good but I'd like to have read more actual information about it. **Cruel sacrifice full book** Aphrodite Jones knows how to write true crime in a manner that seems you are reading a book: **Cruel sacrifice true story** I think this book has everything also with photos included which I think it totally support the research and the story the author is telling. **Cruel sacrifice ending explained** Crime Nonfiction True Crime This book is exceptionally well researched and exceptionally well written: **Cruel sea dakotas** The story itself is heartbreaking striking shocking and saddening. **Nonfiction cruel sacrifice book** I get the love triangle jealousy motive but honestly I just don't understand. **Cruel sacrifice true story** I purchased this book because I couldn't understand how two of the girls were smiling broadly in their mugshots, **Cruel sacrifice nonfiction pdf** I thought what the heck? I remember being that age in fact I wasn't a lot older than Laurie at the time of this murder: **Cruel sacrifice book shanda** I think I probably had 3-4 years on her but all the same there was nothing that could have caused me to murder. **Can you block then sacrifice creature** I have now considered some of the additional information the drinking. **Cruel sacrifice aphrodite jones** Okay I did that and as much as Laurie was said to have done, **Cruel intentions ending explained** I had friends that were equally interested in witchcraft and the like. **Cruel sacrifice shanda** So why? Could the murder really just have been over jealousy? I just don't think so: **Is animal sacrifice protected by the first amendment** Pack mentality? I think that carries more weight in this situation. **Can you sacrifice an exiled creature** Shanda's family could not have known just what was happening between her and Amanda: **Cruel sea dakotas** They could not have known the trouble she was in with her peers: **Is animal sacrifice protected by the first amendment** You never really know your children's friends even if you think you do. **Cruel sacrifice epub download** If Hope and Toni's parents had known where their daughter's were that night things would have been a lot different. **Cruel sacrifice haiku** The girls lied to their parents about where they were going to be that night, **Is animal sacrifice allowed in hinduism** Keeping an open door policy with your children is key to helping them navigate the tempest that awaits them. **Cruel sacrifice aphrodite jones** This book would have benefited from interviews with the key players in the story. **Cruel sacrifice documentary** The only thing I felt this book was wanting was some reflective information from the girls their families etc: **Cruel summer dnb** Maybe then there could have been an answer to the why but somehow I doubt it, **Cruel sacrifice true story** I sense that these women probably cannot connect to the girls they were at the time of

this crime, **Cruel sacrifice true story** It would be like trying to justify any action that in hind sight you realize was the biggest mistake of your life, **Cruel sacrifice shanda** Crime Nonfiction True Crime I vividly remember hearing about this when it happened: **Kindle cruel sacrifice pdf** In 1992 I was 11-12 years old the same age as the victim -Shanda Sharer- and a baby lesbian: **Cruel sacrifice cardmarket** Of course it was treated incredibly salaciously in the media at the time: **Cruel sacrifice epub free** The whole lesbian aspect of the story was made to be the biggest thing - not the savage attack these girls did. **Cruel sacrifice cardmarket** It was all about them being baby dykes who were into witchcraft: **Should we sacrifice freedom for security** This was eye-opening to read this now as a grown ass woman, **Cruel sacrifice aphrodite jones** Learning about the Loveless family horror show put a lot of things into context. **Cruel sacrifice aphrodite jones** The Tackett family background also did more to help me understand how their environments shaped these girls both of whom were also suffering from extreme mental problems. **Cruel sea dakotas** Yes nothing can justify what they did but contextually it doesn't surprise either: **Can you sacrifice an exiled creature** I was particularly touched by Toni who I feel really was unfairly treated, **Cruel sacrifice pdf** That girl was in the wrong damn place at the wrong damn time and in no way deserved the steep sentence she got, **Cruel sacrifice pdf** The idea of wrecking your entire life at the age of 15 makes me want to have a panic attack: **Cruel sacrifice audiobook** I would have liked to have seen the author examine in more detail what their surroundings were like how they were treated in school and more about Shanda and her background: **Cruel sacrifice true story** Where I grew up in Kansas during the early 90s it was hella homophobic. **Cruel summer dnb** Reading the blow-by-blow account of what was done to Shanda at one point made me nauseous which isn't an easy thing to provoke in me, **Can you block then sacrifice creature** I hope that the girls who did this got the help they needed but I doubt it. **Cruel sacrifice cardmarket** I feel so sorry for Shanda Sharer having her life taken away from her so horrifically at such a young age.J.J. None the less recently I came across an older Dr. Once I read those I can forget the book entirely. I already know everything. Anyway Ms.This book is very graphic and also includes crime photos. Even in the photos Shanda doesn't take precedence. They were 15 and 16 their victim Shanda was 12. The Loveless family story takes up a third of this book.This is a book that is terribly hard to read. Even though it was hard to read its wonderfully written. It gives you all the information you need/want. I had NO questions at the end of it. Her name was Shanda Sharer; her age--twelve. Then the story became even more bizarre. AMAZINGly horrific murders by TEEN girls.Writing: The writing is really good.Genre: True Crime. Paranormal was the fad even then.Key takeaways from this book are:1. You never really do know what your children are up to.2. So trust but verify.3. Sexuality is explored at a young age in our society. I know easier said than done but it can be done. 4. I doubt they can possibly comprehend their past actions.This book is truly full of victims and no heroes. It is tragic. This story fucked me the hell up. It did a number! Thankfully I was able to unpack that. I would imagine Indiana was the same if not worse. I think that's really important to mention. The whole thing is so sad haunting and horrifying.
