

Jesus is the Tithe By Bertie Brits ,

Jesus is the Tithe epub.pub

Really enjoyed the perspective on giving and the focus on the finished work of Jesus: **EPub Jesus is the tithely online** This book challenged me to revisit many of my views on prosperity and this is a good thing: **What did Jesus say about the tithe** I think it will and actually already has brought freedom and life into the area of finances for me. I found it very well rounded and well argued. 308 Jesus is the Tithe.
