

Dear Genius: The Letters of Ursula Nordstrom By Ursula Nordstrom **Dear geniuso** The concluding letters Marcus chose to supplement the collection help shed a more expansive look at Nordstrom and her career as the content therein teeters on a personal echelon than the primarily professional one in previous letters. **Book Dear genius corner** Whether Marcus chose these specifically to strengthen "Dear Genius" or Nordstrom herself 'relaxed' a bit toward the end of career is unknown but either way: it works and ends the collection on an upbeat note. **Biographies Memoirs Dear genius lyrics** "Dear Genius" is a selective read that isn't for everyone but suggested for those interested in a peep into the world of famous children's authors/illustrators in the 40s-70s and/or Ursula Nordstrom. **Dear Genius Childrens books pdf** How can you not love a brilliant editor who can't spell? What becomes apparent in the overall effect of the letters is Ursula's ability to nurture author's talents and make suggestions without presenting ultimatums. **Biographies Memoirs Dear geniuses** The background information is sketchy but from the footnotes I gather he left her as an agent for a rival publishing house after many years of working together (10 folders of correspondence according to Marcus). **Dear Genius ebook3000** I was having a rough week at work and read her book that night finding a quote that put the uncontrollable happenings in life in perspective for me: But enough of this sorry theme.

Ursula Nordstrom is primarily known as one of the twentieth century's great editors as many have remarked The Maxwell Perkins of children's literature. **Book Dear genius definition** A collection of her correspondence was published in 1998 as Dear Genius: the Letters of Ursula Nordstrom Nordstrom is credited with presiding over a transformation in children's literature in which morality tales written for adult approval gave way to works that instead appealed to children's imaginations and emotions. **Dear Genius Biographies memoirs pdf** A collection of her correspondence was published in 1998 as Dear Genius: the Letters of Ursula Nordstrom Nordstrom is credited with presiding over a transformation in children's literature in which morality tales written for adult approval gave way to works that instead appealed to children's imaginations and emotions. **Dear Genius Biographies memoirs kohler** White's Stuart Little (1945) and Charlotte's Web (1952) Margaret Wise Brown's Goodnight Moon (1947) Crockett Johnson's Harold and the Purple Crayon (1955) Syd Hoff's Danny and the Dinosaur (1958) Maurice Sendak's Where the Wild Things Are (1963) and Shel Silverstein's Where the Sidewalk Ends (1974). **Dear Genius Biographies memoirs kohler** White Maurice Sendack Ruth Krauss Russell & Lillian Hoban Syd Hoff Crockett Johnson Louse Fitzhugh Crosby Bonsall Else Homelund Minarik Arnold & Anita Lobel Jesse Jackson John Steptoe Mary Stoltz Hilary Knight and Meindert DeJong. **Dear Genius booking** These book titles are the ones I grew up with and many are still classics of children's literature - Where the Wild Things Are Runaway Bunny Charlotte's Web Little Bear Harriet the Spy Freaky Friday and Danny and the Dinosaur. **Childrens Books Dear genius corner** In 1936 she became assistant to Louise Raymond editor of the small department of Books for Boys & Girls and in 1940 took over the chief editor position of the growing Juvenile Literature Department staying at the helm until her retirement from full time employment in 1973. **Dear geniussis** In her letters she refers to Mary the homes and apartments they purchased and sold a life force an energy a quickening that is translated through you into action and because there is only one of you in all of time this expression is unique. **Dear geniussis** [manuscript] and came to the page where the onset of Beth Ellen's first menstrual period occurred and it was written so beautifully to such perfection I scrawled in the margin THANK YOU LOUISE FITZHUGH! It is incredible that Louise's Long Secret contained the first mention in junior books of this tremendous event in a girl's life. **Dear geniusvac bags** This compilation of her personal correspondence published 10 years after her death is a fascinating excursion into the world of children's publishing through the life of one of its most brilliant and influential editors. **Childrens Books Dear genius corner** In her very first letter to Laura Ingalls

Wilder as an assistant editor Nordstrom writes all of us were upset about [an editorial error in her book] because very frankly every single bit of copy written for your lovely book has been worked over with enthusiasm and affection. **EPub Dear genius corner** Nordstrom was somewhat subversive in her conviction that children's books should be written for children not the adults who buy them -- if the word wasn't now associated with Sarah Palin I'd call her a maverick. **EPub Dear genius corner** For someone who cried over Charlotte's death who tried to start a spy notebook like Harriet whose adolescence was defined by Freaky Friday who still reads The Runaway Bunny when she can't sleep at night -- meeting Ursula Nordstrom is like coming home. **Book Dear genius book** Nordstrom quoted on page 270: Every time a resolve or fine glow of feeling evaporates without bearing fruit it is worse than a chance lost; it works to hinder future emotions from taking the normal path of discharge. **EBook Dear genius book** - William James Childrens Books Biographies Memoirs One of the more inspiring books I have ever read - I started out just wanting to see how this woman [the editor of most of my favorite children's books of 1950-1980:] talked to her authors and illustrators - I made mental notes - oh see she sounds cross but she is just being supportive and constructive etc. **Childrens Books Dear genius pdf** But the more I read it the more Ursula's own personality was fleshed out - these letters do really give a sense of what a force she must have been - she doesn't give too many personal details - but she does give some and the book does cover a span of about 45 years while she was at Harper - her childhood and her history and her opinions and politics [a lot about her opinions and politics actually:] and she seems like the kind of person I would have loved to have met. **Biographies Memoirs Dear genius lyrics** Somehow the letters become a narrative and not just a collection of correspondence - at the end as she is winding down her work as an editor and is writing her authors to tell them that - it is profoundly sad and such a loss. **Dear Genius kindle cloud** The most fantastic thing about her is what she seemed to think of children and their relationship with books and their authors - she felt that the authors/illustrators had a special kinship with the children and that the editor was the outsider the adult who did know always know best. **Dear Genius kindle reader** One of my favorite quotes from the introduction: Asked pointedly by Anne Carroll Moore the New York Public Library's superintendent of work with children what qualified her a nonlibrarian nonteacher nonparent and non college graduate [oh yeah! she hadn't graduated college!:] to publish children's books Nordstrom just as pointedly replied Well I am a former child and I haven't forgotten a thing. **Book Dear genius corner** Childrens Books Biographies Memoirs I'm not usually a big fan of collections of letters but living with Ursula Nordstrom and her many close occasionally combative frank and loving letters to the writers and illustrators she worked with for 30 odd years the past two weeks has been an utter delight. **Kindle Dear geniusrx** After a couple of hectic focused months at work having this voice inside my head - a voice that's miles away from workaday client correspondence - has broken open the linguistic straitjacket I felt like I was falling into. **Dear geniussis** Firstly it provides insight into the life of a professional American woman in the mid 20th century who worked in a female-dominated section of a male-dominated industry and refused to to be promoted away from it: March 4 1953 Did I ever tell . **Dear geniusvac bags** I almost pushed the luncheon table into the lap of the pompous gentleman opposite me and then explained kindly that publishing children's books was what I did that I couldn't possibly be interested in books for dead dull finished adults and thank you very much but I had to get back to my desk to publish some more good books for bad children. **Dear Genius Biographies memoirs kohler** Secondly it tells the story of American children's publishing which began to flourish as public libraries set up children's sections and children's librarian went looking for books to fill their shelves. **Kindle Dear genius scan** Nordstrom - a dedicated liberal and a quietly gay woman - published black writers and the first YA books to mention a girl having her first period and a teenage boy having a homosexual experience. **PDF Dear genius corner** )Some people tried her patience further: here she is to Hilary Knight the illustrator of the 'Eloise' books: Dear Hilary I hesitate to worry you but I thought I should tell you that some enemy of yours is writing me very angry letters and signing your name to them. **PDF Dear genius corner** Y or Not Good Enough For You - implied deftly enough that if a word or passage or even an entire manuscript did not pass

muster it was not because the author was a failure but because the piece of work in question had in that particular instance somehow failed to rise to his or her own high and praiseworthy standard.

**Dear Genius pdf converter** To Maurice Sendak as 'Where the Wild Things Are' was just about to be released: Maurice before I sent the paste-up I went through it rereading the words and looking at the pictures again. **Dear Genius Biographies memoirs kohler** When you were much younger and had only done a couple of books I remember I used to write you letters when the books were finished and thank you for another beautiful job - or some such dopiness. **Dear geniuso** But I must send them anyhow when I look through 'Where the Wild Things Are' I think it is utterly magnificent and the words are beautiful and meaningful and it does just what you wanted to do. **Dear Genius ebooks online** Childrens Books Biographies Memoirs

Ursula Nordstrom (not of Nordstrom department store fame); held the position of children's editor at Harper's publishing house for over three decades. **Dear Genius Childrens books** Even though these letters are displayed in a chronological manner; they also make sense as a narrative construct and form a subject base which allows for an arc versus "just reading letters". **Book Dear genius lyrics** The middle of "Dear Genius" features a section of black-and-white photo plates of some of the authors and illustrators featured in the book plus one of Nordstrom Biographies Memoirs For some reason I didn't reign in my compulsive eating of enticing Christmas desserts this year. **Book Dear geniusrx** Now because of my lack of self-control I'm an irritable hamster-type pedal-pusher on an elliptical machine who is horribly sick of salads and can't eat anything because she gained 10 freaking pounds in two weeks! I have since lost the 5 pounds but I am still hungry and cranky most of the time! So what better way to deal with it then finish Ursula Nordstrom's funny letters where she too pokes fun at her weight Well maybe I won't need a straitjacket. **Book Dear genius lyrics** So who is this woman you ask? Harper's children's editor Ursula Nordstrom published some of the biggest authors in children's publishing: Margaret Wise Brown Ruth Krauss Russell Hoban Maurice Sendak Laura Ingalls Wilder E. **Dear Genius ebook3000** Another had New York Public Library's Superintendent Frances Sayers criticizing John Donovan's children's book about a thirteen-year-old boy who has feelings for another boy that leave him confused. **Dear Genius kindle unlimited** My two favorite parts were where Ursula is describing how she had to explain to industry professionals that The First Four Years cannot be edited to be made more cheerful as that would not be faithful to what LIW wrote (although as I said to my mother the other night that may well be what Rose did) and the letter Ursula wrote to Russell Hoban when he is working on Bedtime for Frances (then titled Who's Afraid?) Childrens Books Biographies Memoirs If I were stranded on a desert island with only five books this would be one of them for sure. **Book Dear genius scan** These letters are fun to read both because they provide a peak behind the curtain into the making of some truly classic works (Where the Wild Things Are Charlotte's Web Danny and the Dinosaur to name three) and because Ursula was such a master at dealing with confidant and headstrong artists. **Book Dear genius book** How are Rory Jen and I the only ones at work who've read this? And only Susann on my GR list? If ever was a book that everyone on my list here would agree on it's this. **Dear Genius ebook** Ursula Nordstrom director of Harper's Department of Books for Boys and Girls from 1940 to 1973

was arguably the single most creative force for innovation in children's book publishing in the United States during the twentieth century. **Biographies Memoirs Dear genius lyrics** Considered an editor of maverick temperament and taste her unorthodox vision helped create such classics as Goodnight Moon Charlotte's Web Where the Wild Things Are Harold and the Purple Crayon and The Giving Tree. **Dear Genius kindle store** Full of wit and humor they are immensely entertaining thought-provoking and moving in their revelation of the devotion and high-voltage intellect of an incomparably gifted editor mentor and publishing visionary. I learned so much about the authors and books I have loved so much in my life. **Biographies Memoirs Dear genius pdf** And I learned so much about writers I am not familiar with but who deserve all the accolades that were heaped upon them by their loving editor, **Book Dear genius book** Marcus does a masterful job in editing and compiling her letters and providing rich additional resources and context for their content: **Dear Genius booking** Ursula Nordstrom made a profound impact on the children's literature that continues to influence generations of children. **Kindle Dear genius definition** She was fond of this quote from Martha Graham which she shared with the writers with whom she worked: There is a vitality.

## **Book Dear genius book**

Herself: **Dear Genius ebook** This helps give a face to match the letters and "Dear Genius" is thus elevated a bit in depth. **Dear geniusvac bags** Marcus includes a bibliography /sources list for those readers seeking additional background and credibility checks. **Dear geniuso** "Dear Genius" is a lovely insight in the form of letters into the world of children's publishing and the best-known children's editor in height of the genre: **Dear Genius pdf editor** Although the piece does get tiresome; it still offers a certain glow. **Dear geniuso** Childrens Books.

## **Book Dear genius bar**

I was all alone in the office eating my low-fat meatloaf sandwich. **Biographies Memoirs Dear genius pdf** or I am dieting madly so details of food are always welcome: **Dear Genius booking** or her explanation of her dog's congenital malfunction of the pyloric valve that made the pooch skinny Maybe I'll have a nifty operation to make my pyloric valve malfunction. **Book Dear genius bar** She also uses humor to cajole writers such as Edward Gorey (they were particularly funny because he always missed deadlines), **Book Dear genius** Thanks for your card telling me you are having a nervous breakdown. **Dear Genius ebooks free** I think you know that I have His and Her Straitjackets hanging in my office. **Dear Genius Biographies memoirs pdf** Come down and slip into one and we can have a good talk, **Book Dear genius book** After getting my shot in the arm of Ursula humor and insights into the world of publishing.

## **Book Dear genius corner**

She can't spell very well: **Dear Genius pdf editor** She respected her authors' innate ability to create a work of genius and she seemed to know when to back off and when to assert herself. **Book Dear geniusrx** I think it can be even funnier in the beginning but that may be because I read it with 1000 interruptions the other morning. **Book Dear genius** Not all correspondence is rosy and misunderstandings are revealed: **Dear Genius ebook** Sometimes the lack of background knowledge made it confusing and I would go off researching an author to discover more about him or her. **Dear Genius ebook3000** She doesn't dwell on it in her letters and I admired her ability to move on and not be bitter, **Book Dear genius scan** A joy I got from reading Ursula's epistles are the humor and perspective she gives toward work and living each day. **Der genius des krieges** Her character and wit emerge through her correspondence of letters from 1937-1982, **Book Dear genius scan** Yet besides being an editor she was also the author of two remarkable novels one published The Secret

sometimes self-deprecating Nordstrom was ever sincere in her praising her author geniuses (hence the title Dear Genius). **Dear geniuso** I especially enjoyed reading her letters to John Stepdoe the teenage author of Stevie which strike the perfect balance between respectful encouragement and motherly scolding: **Dear Genius ebook reader** One can't help but conclude that the moral and artistic education of children was in the best of hands, **Kindle Dear genius bar** In Goodreads reviews I'm usually stingy about handing out five stars but I really can't give this volume anything else, **Book Dear genius scan** It amazed me and it spoke to a part of me I haven't been in touch with for a long time: **Book Dear geniusrx** There is something holy about the books you read as a little kid. **Dear Genius book** I was taken out to luncheon and offered with great ceremony the opportunity to be an editor in the adult department? . **Dear Genius epub air** It's not just the inside details of marketing and print plates - it's the story of changing attitudes. **Biographies Memoirs Dear geniuses** And finally it tells the story of many long and short professional and emotional relationships spiced with regret hope love laughter despair and frustration, **Dear Genius Biographies memoirs and stories** White was one of the more formal and carefully worded but she obviously respected him and his writing deeply: **Book Dear genius book** Her letters to White about illustrations for 'Stuart Little' and 'Charlotte's Web' - are particularly entrancing for a big fan like me, **Kindle Dear geniusrx** She auditioned a number of artists but settled on Garth Williams: You will see that in the sample drawings for Stuart Little Mr. **Book Dear geniusrx** We like the more detailed technique don't you? He was careful about lots of small but important details, **Dear Genius booking** For instance in the picture of the doctor examining Stuart Stuart is standing up. **Book Dear genius bar** Williams had him lying down in the first sketch but changed it because he was afraid he might look like a little dead mouse if he were lying down. **Dear Genius ebookers** (That is probably a silly detail to pass on to you but it was somehow encouraging to us: **Dear Genius booking** On #2 he re-did it so that Fern has hair more consistent with the other drawings, **EBook Dear genius corner** Arable looked less like a young girl more like herself in other drawings. **Book Dear genius book** Arable looks a bit whiskery-y and we can have a couple of the little lines taken out, **EPub Dear genius definition** Watching her manage writers and illustrator who were blocked recalcitrant pissed off or down in the dump is an extraordinary lesson in communication: **Book Dear genius corner** As the editor of the letters notes: The marginal note that everyone who worked with her remembers - N, **Dear Genius kindle store** And when things turned out well no one could do genuine effusion like Nordstrom. **Der genius des krieges** It is MOST MAGNIFICENT and we're so proud to have it on our list. **Dear Genius epubor** Now you're rich and famous and need no words of wonder from me, **Book Dear genius lyrics** I've felt sort of down in the dumps about picture books lately (and those who write and illustrate and buy and review them too to be frank!). **Dear Genius book** But this bright beautiful Monday your beautiful book is exhilarating and it reminds me that I love creative people and love to publish books for creative children, **Book Dear genius definition** Highly recommended if you need to spend some time with a distinctive voice or are interested in the history of children's book publishing, **Childrens Books Dear geniusrx** Her legacy includes having worked with some of the most beloved children's authors and illustrators including Laura Ingalls Wilder Maurice Sendak E, **Biographies Memoirs Dear genius lyrics** Nordstrom kept on-going streams of communication with these authors/artists in the forms of typewritten letters which were archived and remain extant, **Dear geniuso** Marcus compiles these letters and presented the collection in "Dear Genius: The Letters of Ursula Nordstrom". **Book Dear genius corner** Marcus logically begins "Dear Genius" with an overview of Nordstrom's professional/career role alongside some personal life tidbits. **PDF Dear genius** This allows readers to gain some background and insight into who Nordstrom was and her personality and therefore these pages serve as a valid introduction, **Kindle Dear genius lyrics** After this brief bio "Dear Genius" presents verbatim letters from Nordstrom to Harper's clients in chronological order spanning over three decades, **Biographies Memoirs Dear genius lyrics** These letters maintain both their original structure and preserved content into Nordstrom as a person the editing world and the careers of famous children's authors and illustrators, **Childrens Books Dear genius lyrics** These letters genuinely reveal

Nordstrom's spunk and creative process and have a strong voice which lifts off the page, **EPub Dear genius bar** Marcus footnotes the letters clarifying the recipient works mentioned within the letters and other questionable material which is certainly an advantage to readers to "Dear Genius". **Book Dear genius definition** On the other hand as "Dear Genius" progresses; the letters begin to feel tiresome and repetitive making for a tedious reading, **Dear Genius kindle paperwhite** The letters over time tend to basically be the same and not shed too much light on Nordstrom or her recipients: **Book Dear genius** The cookie tray jump starts my pistons for shoveling sugar from hand-to-mouth in a blur: **Dear geniusopinion** You'd think my pistons would have slowed down now that I'm old but NOOOOOOOO. **Dear Genius kindle store** She changed the face of children's literature or at least influenced it more than any other editor in the field: **Childrens Books Dear genius scan** If you want a glimpse into the workings of the publishing system and rapport an editor has with an author then I highly recommend this book: **Biographies Memoirs Dear genius lyrics** The turn of phrase self-deprecating humor candor and risk-taking that Ursula shows make reading her tale delicious (gawl dang it even my adjectives make me wanna eat: **Dear Genius pdfescape** ) Plus Ursula is very concerned about John Steptoe and I wanted more background because the information was incomplete: **Dear Genius pdf drive** Other times lest I lose my reason in attempting to reason about anything that is so thoroughly unreasonable. **Kindle Dear genius book** Humor of course is the best medicine to combat negativity and there is plenty in this novel, **Biographies Memoirs Dear genius book** Dreary note but it is a dreary day and I'm the only one in the city who doesn't simply adore Blessed Noel. **Book Dear genius bar** Tomi Ungerer gave me a present of a huge gorilla dragging a nekkid Barbie doll along by the hair, **Dear Genius booking** You can see it the next time you come to the Tot Dept: **Dear Genius pdf drive** At one point I had to stop rewriting all of her great quotes because it felt like I was recopying the entire book. **Book Dear geniusrx** My writer's journal has 29 pages of musings and Ursula sayings, **Book Dear genius lyrics** I found the controversy surrounding some of the groundbreaking children's books she published interesting and the anguish some felt over the materials, **Book Dear genius scan** One was a psychologist who criticized Maurice Sendak's *Where the Wild Things Are* for withholding food from a child, **Dear Genius epub file** Of course the letter to John from Ursula is pretty funny: Right after I sent you my illiterate wail about Mrs. **Dear Genius ebooks free** Sayer's idiotic letter about your book I have received a copy of your reasoned well-mannered well-written reply to her: **Book Dear genius book** Like wow! Ursula was commenting on the controversy she knew would come with the publication Maurice Sendak's newest book *In the Night Kitchen*, **Dear Genius epubor** I did find that when I tried to plow through this book from cover-to-cover I got fatigued with the writing. **Book Dear genius lyrics** Small digestible snippets of humor read here and there worked better for me: **Dear Genius ebookers** Of course I've been so dang hungry I can't really think strait so snippets were about all I could handle after the holidays: **Dear Genius pdf** Adult Childrens Books Biographies Memoirs Delightful although at times disjointed: **Dear Genius epub** Not only was Ursula a daring groundbreaking editor who revolutionized children's books but she was also a brilliant communicator, **Book Dear genius scan** If she was writing about the color of orange juice she'd still be a hoot. **Biographies Memoirs Dear genius lyrics** But lucky for us she wasn't writing about citrus fruit—she was writing about kids books and publishing and personalities. **Book Dear genius lyrics** Sometimes we even see her frustrations with politics and culture (a great reminder that some things never change), **Childrens Books Dear genius bar** She showed her authors humor respect and humility but still managed to push (point) them when they needed it, **EPub Dear genius definition** Anyone who has to communicate complex ideas (in emails or otherwise) could learn a thing or three from Ursula Nordstrom. **Dear Genius epubor** This book is a must for anybody in publishing (authors and editors and aspirants alike): **Dear geniusvac bags** Childrens Books Biographies Memoirs This is possibly the best book ever: **Dear Genius pdf** Ursula Nordstrom was the head editor at Harpers for many decades and this is a collection of her professional letters to the authors and illustrators we all love, **Der genius des krieges** Her letters themselves are fantastic witty and intelligent and so very interesting, **Dear Genius Biographies memoirs kohler** The topics

managed to be even better - I loved seeing her editing in action and seeing how she shaped all those books into their final versions. **Dear Genius book** Not to mention getting to know all of the authors and illustrators most of whom I only knew their names and work: **Dear geniusvac bags** My only complaints were skipping the years 1976-1980 and the fact that it ended: **Book Dear genius corner** It also made me miss all of my letter and e-mail correspondence that I used to have especially with Krissy: **Book Dear genius corner** Anyone up for letter writing? \*g\* Childrens Books Biographies Memoirs She trusted her immense intuition and generous heart--and published the most: **Dear geniusvac bags** Marcus has culled an exceptional collection of letters from the HarperCollins archives, **Book Dear genius lyrics** The letters included here are representative of the brilliant correspondence that was instrumental in the creation of some of the most beloved books in the world today[1]

And the parties they hosted at their home. I have markers throughout this book. The book is worth every minute spent in its 400 pages. Leonard S. Then I'd get skinny. Welcome to the club. For instance.
