

Words on the wall book

These remarkable poems are despatches from the edges of experience: from the remote coast of northern Iceland where tree-trunks and dead whales lie beached to the furthest outposts of the Roman empire in the title poem - 'From the very limit of the world/Flavius sends you greetings my lord. **Words From the wallflex**' The collection is concerned with borders and brinks - the liminal spaces where distinctions blur between outer and inner known and unknown between what is familiar and what is other. **Words From the wallglide** This is the terrain of the displaced and deracinated but also the shimmering space where all is volatile mutable in flux - and it is also of course the thin transparent veil between waking and sleep between life and death. **Words on bathroom walls book summary** Shadowed by mortality lit by lyrical grace Words from the Wall includes poems about the killing fields of Agincourt Flanders Vietnam and a memorial poem to the victims of the 2015 Bataclan attack where the dead are 'stations of flame' and it begins and ends at the boundaries of the Roman territory at the edge of life: 'The girls I laughed with once/in the baths' atrium/are withered and wattle-necked. **Words on a bathroom wall book** His first novel Ulverton (1992) an episodic work covering 350 years of English rural history won great critical acclaim worldwide including that of novelist John Fowles who reviewed it in The Guardian calling it () the most interesting first novel I have read these last years. **Words From the walljar** His first novel Ulverton (1992) an episodic work covering 350 years of English rural history won great critical acclaim worldwide including that of novelist John Fowles who reviewed it in The Guardian calling it () the most interesting first novel I have read these last years, **Poetry Words From the wallace** /I love them still...' Words From the Wall
