English ☐ FREE on Amazon today (8/16/2020)! ☐ English I adore secret baby stories when done right but this one missed the mark by a mile. **An Irish Affair epub air** Serena TRIED to contact Devin when she first found out she was pregnant but his number had been changed and when she got a hold of his mother (who refused to give her his new number) she was forced to tell his mother about her pregnancy and the mother told her to forget it and even offered to pay her to get out of his life completely and never return. **Book An Irish affaire** I totally get her reason for keeping her pregnancy and her baby a secret for the reason above but once Devin re-entered the scene and made it clear he wanted her before and NOW she still kept him in the dark. **An Irish affairiste** Serena was a total bitch to Devin (as well as keeping her secret) through most of the story-constantly flinging barbs at Devin intimating what an asshole she thinks he is even though he did nothing to deserve that title. **Irish affair torremolinos** This story only turned up a tick when Devin's evil mother showed her claws as soon as he told her he knew about her interaction with Serena and the horrible way his mother treated Serena. **Book An Irish affair** At the 80% mark Serena finally admits that she was totally punishing Devin the entire time of keeping him in the dark just because his mother was a bitch to her so Serena felt justified in shitting all over him through the rest of this story because of his mother: **Book An Irish affaire audin** I received a free copy of this book via Booksprout and am voluntarily leaving a review: **Book An Irish affair uk** English I was drawn to this freebie as it was a secret baby romance: **Book An Irish affaire ilan** The characters were likeable to begin with but their behaviour quickly became predictable and frustrating, **EPub An Irish affair in america** Lots of sweet moments in between however and my curiosity was sparked sufficient to keep me reading, **Irish affairs site** While this book wasn't my cup of tea.
