This is a great story. I couldn't put it down. I only wish it was longer. I enjoyed the interactions between Mia and Cole. Mia is out with her friend when she is ditched. She is going home when she is pulled over. Cole is a police officer who pulled over Mia. He asks her out but she is a little hesitant. She gives him a chance and is happy that she did. This story is short fast paced and an enjoyable read. I thought they made a cute couple. I really liked the ending and the epilogue for this story. Cole is a caring cop with a big heart. Jenna Rose

I'm a cop. It's my job to protect her. But I might need her just as much as she needs me. But I never found the right woman. Then I met Mia and she changed everything. It had a nice flow to it. Everything was going great but the ending. Jenna Rose I liked this story a lot. The characters were

interesting and likable. There was a bit of angst but it was resolved quickly. I loved their happy ever after. I recommend reading this book. 4□ Jenna Rose.
