But that doesn't stop him. A nasty father and a little drama along the way. It's fast pace and little steam for me. With her bff she is going to spy on the man. But once he's all in hes all in. but there's trouble. seems someone's parent doesn't take no for a answer.No cheating. Drama that is minimal and only enhances the story. The females are sweet and RELATEABLE. New friends new job new everything. She's too young for me. Too pure. She doesn't know about my past. That's my plan. Until she's taken from me. Until I find out her father's plans for her. Okayyyy.This story was fine. A few lols here and there. I mean. they didn't even mention if Amethyst lived on Kitty Ln. I dunno. A missed opportunity if I ever did see one.Aside from that it was just okay. Nothing super special. Big is 40 Amethyst is 20. At least it's an age gap and I like that. The rest. meh.2. Despite her family and Bigs self-doubt.Overall: 3. Delicious from start to finish. Amethyst has a crush on Big and doesn't hold back. The dialogue is spot on banter is hilarious and engaging. Yes from me 118 Spoilers ahead 2. A man aptly named Big. Drama from her dad who kidnaps her.No but that cover has to go- 118 2
