(And I hate people who snooze their alarms too!)I told you I'm like a retriever and very trainable. **Booksweeps login** I'm glad I still have several Harris brothers books to read (I'm all out of order) because I love reading about this family! □ Audio book source: AudibleStory Rating: 4 starsNarrators: Teddy Hamilton Faye Adele Will Watt & Stella HunterNarration Rating: 5 starsGenre: Contemporary Romance (sports)Length: 328 2. **Sweeper booker** She was just too mean to the H throughout the book and I think she needed to grovel much much more before they reunited in this one! For when their personal lives spill over onto the hookups can the 'normal' girl actually be with a real life celebrity footballer?Ducky is no jersey chaser. **Booksweeps promo** I can't wait for everyone else to devour this story and find out if Zander does in fact knock out the infamous Mac!!!! 328 Loved it- now I need to read them all I laughed I cried I swooned I gasped- a myriad of emotions while reading this but I definitely fell in love with these characters. **The chimney sweeper william blake pdf** Zander finds out after his father passes away that his father might have not really been his father; his mom wrote a letter to his maybe-birth father that was never sent out the year he was born. **Sweeper ebookers** He's been playing soccer all of his life and when he's given the opportunity to fly to

Europe and play in the UK for a prominent team he takes it- especially because his maybe-father's there. **Sweeper karcher** Their first time was a messy one (Daphney baked oatmeal raisin cookies for Zander since his game superstition/routine is to eat one when he wins) because of all the flour everywhere but dang it only made it smexier because of how desperate they were for each other. **Booksweeps** Now I gotta read all the books before it lol! I loved it ☐!☐ safety squad ☐-no cheating/sharing/owd/omd-there's a scene where both MCs are trying to make the other jealous like his dad she did give him a tradition of oatmeal raisin cookies to enjoy and cherish after a winning game. **Sweeper epub.pub** And then the unthinkable happened Zander's dad died in a crash and through dealing with all of the necessary arrangements he stumbles on information that will impact everything going forward. **Sweeper ebook** This move puts him right next to Daphney Clarke his neighbor the pub waitress/barkeep the manager of the building they live in and a talented musician who has no interest in Getting Together with Zander. **Memoir sweeper broom** He is living in a place where he has no support system like he use to he needs to get his head in the game so he doesn't blow this huge career opportunity and he also has serious emotional baggage that is impacting his head and playing. **Contemporary sweeper** This tale has so much going for it; it has a new friendship Zander makes with the other fish out of water American players he has his friendship romance with Ducky (Zander's nickname for Dapheny) and his figuring out where he fits with the team and Harris Clan. **Contemporary sweepers ent** The author did a brilliant job explaining the family dynamics and introducing new characters therefore Sweeper is a total standalone but part of the magic for me was getting caught up with the returning characters that are so very real to me. **Booksweeps bookbub** It has loyalty witty dialogue family values and very real-life struggles and people with faults forgiveness and the Harris family's unwavering support and encouragement of each other and those they meet along the way. **Booksweeps login** Zander just tug at my every heartstring as he struggles with his identity as well as his decision to move across the pond to begin a career in a much more advanced league that is highly regarded around the world. **Book sweepstakes 2022** I loved her sense of humor and how uptight she was as the building manager-I could totally relate because I am the same exact way! I loved all of the flirty banter between her and Zander. **Sweeperagent** I loved being part of their "sporty" world and learning all of the phrases used by the Brits and being right there with them in their favorite restaurant and also on the pitch. **The chimney sweeper pdf** The excitement is real and reading it makes me want to go there in person and watch a game!There is lots of angst and drama in Sweeper as well as lots of laughs and tears. **Sweeper contemporary art** Oh Zander what have you done?This book is filled with so much character growth and not just our hero and heroine but for Vaughn his father his new half-siblings and their spouses his new teammates and especially his mother. **Memoir sweepers ent** The ending of Sweeper was all I hoped it would be and I can truly say that I loved every page and it now my favorite in the fabulous series! If you've never read Amy before you can start with Sweeper then go to the beginning and read Strength Challenge Endurance Keeper Surrender Dominate Payback Blindsided and then Replay. **Booksweeps** 75-3 stars Many of the tropes & plot devices present here typically are ones that appeal to me - sports enemies-to-lovers neighbors/forced proximity big family with a side of family drama etc. **Booksweeps review** So instead of driving the beginning of the story with enemies-to-lovers I think it read with an undertone of being a little instaluv-y(or at least insta-in-very-much like but pretending it's casual lol) that I'm rather sure wasn't supposed to be there & it undercut the feeling of progression in their romance for me. **Sweeper attachment** The vibe ended up being a little heavier than anticipated though that worked for me - our hero is still reeling from the death of his father friction with his mom moving to a new home and a new team AND dealing with a massive game-changer of a secret. **Sweeper kopen** (Minor SPOILER) Zander hears a woman having sex next door and - assuming it's Daphney - he gets so jealous and turned on that he needs to release some tension while listening to it happen. **Sweeper karcher** This is probably at least 100 pages into the book so the fact that he just let it happen - and actually got incredibly turned on by the thought - should tell you about that slow emotional burn: Brief Summary of the Storyline: This is Daphne and Zander's story. **Memoir sweepers ent** Zander gets scouted by a professional soccer

team in London and leaves his grieving mother after losing his Dad: **Memoir sweepers ent** Daphne is just trying to get by after a disastrous breakup and she is Zander's new building manager, **Booksweeps jobs** It happened and I am glad it did yet it also brought some serious angst in how to deal with the main questions and actions of many of the characters. **Sweeper contemporary art** Zander Williams was living his best life with a career in American Soccer and a solid family backing his actions, **Christmas sweeper 3 for kindle** His father from the start was his biggest fan and was always there to cheer him on, **Booksweeps bookbub** His mom loved him and though she wasn't the same type of fan.

The cocky footballer next door has some serious balls...luckily Daphney Clarke knows how to play. **Sweeper ebook3000** Zander Williams is the hot new American determined to take European football by storm: **Booksweeps bookbub** His head is so big it barely fits under his backwards hat, **The street sweeper book** And when he's recruited to one of the biggest up and coming clubs in London he's certain to make his name known, **Booksweeps login** Managing the building where they live is only one of Daphney's many jobs, **Booksweeps promo** Tensions build and after one steamy hallway kiss neighbor wars quickly shifts into neighbors-with-benefits and that's a battle they both intend to win. **Sweeper attachment** But Daphney doesn't know the real reason Zander is in London and now she's stuck in the middle of a game she didn't even know she was playing: **Booksweeps for authors** Sweeper (Harris Brothers World #4)

Number 1 Bestselling author Amy Daws writes spicy love stories that take place in America as well as across the pond. **Booksweeps** Shes most known for her footy playing Harris Brothers and writing in a tire shop waiting room. **Sweeper ebooks online** When Amy is not writing she's likely making charcuterie boards from her home in South Dakota where she lives with her daughter and husband. **Sweeper attachment** She's most known for her footy playing Harris Brothers and writing in a tire shop waiting room: **Kindle sweeper broom** When Amy is not writing she's likely making charcuterie boards from her home in South Dakota where she lives with her daughter and husband. **Memoir sweepers ent** I'm going to be very honest here and tell you I really wanted to read this book. **Booksweeps** I have it on pre-order but I wanted the ARC and I was so bummed when I didn't get it! My workmates heard all about it believe me. **Book sweepstakes 2022** And then I did get it and my day got a whole of a lot better: **Booksweeps for authors** This is the story of Zander and Daphney and it's sweet heartwarming and perfect. **Booksweeps** He's is wonderfully clueless about British English which led to some awesome laugh-out-loud moments for me, **EBook sweeper pitch** He's also clueless about flirting with a woman who is not immediately head-over-heels over him which led to even funnier moments, **EBook sweeper pitch** But I love how open and how in touch with his feelings he is. **Memoir sweepers ent** He's a dangerous combination - I love alphas but the combination of sweet and sexy always does me in!When she looks straight at me like that it often takes my breath away, **Sweeper karcher** I loved how he kept screwing up mixing up his words and mucking up whenever she's around. **Book sweepstakes 2022** The attraction is there but it's not

easy for them to give in to it: **Sweeperagent** Zander is dealing with his father's death and moving to a whole different country where football is taken a lot more seriously. **Booksweeps promo** And what a kiss! It's enough for them to think they can be neighbors with benefits without catching annoying feelings. **Sweeper king services llc** But the game is on! And let me tell you Zander sweeps her off her feet (no pun intended), **Sweeper karcher** There are some seriously swoony moments between them and hot moments too: **Sweeper contemporary** There is a lot of family in this book not only the Harrises but also the family you choose for yourself, **Booksweeps promo** I was wrapped up in all the feelings in this book and all of it drew me in. **Book sweepstakes** I got pretty emotional over it too because my heart broke for them in different ways: **Booksweeps bookbub** At a time I didn't know where I belonged in this world you made me feel at home. **Sweeper ebookers** I think they were both afraid of what could be afraid of the 'what if it doesn't work?': **Sweeper for sale** Until they realized that it doesn't matter and they can work through whatever it is: **Sweeper attachment** There's not on separate teams and there's no game to be won: **Book sweepstakes 2022** And so is this book! Thank you Amy for trusting me with an ARC: **Book sweepstakes 2022** It really meant so much to me! 328 4 stars After reading 'Replay' a few months ago I knew I needed to get to Sweeper ASAP, **Sweeperagent** He's there to play on Bethnal Green's Football team but he has other motives for being there as well. **Booksweeps login** I loved seeing Daphney and Zander's first meeting and watching them go from frenemies to lovers: **Booksweeps** As much as I liked the romance in this one I was so much more invested in Zander's family drama. **Book sweepstakes 2022** I couldn't wait to see what would happen when the cat was let out of the bag so to speak: **Booksweeps bookbub** There is some family drama some secrets revealed and some sexy times...and they get a HFN ending: **Booksweeps bookbub** Point Of View (POV): This alternated between Daphne and Zander's POV. **Booksweeps** I didn't like how bitchy she was and how she treated the H towards the end, **Sweeper karcher** Sadness level: Low no tissues needed Push/Pull: Yes They both push away at times (h more so) and the H is the main pursuer of the relationship Heat level: Good, **Book sweepstakes** They have some good tension chemistry and scenes -- but not so much it takes away from the story, **Book sweepstakes** With all the personal baggage loading him down he'll be lucky not to be bench warming if he doesn't get his head in the game. **Booksweeps** Moving to London is a fresh beginning however if the huge secret he is hiding comes to fruition the fallout could be catastrophic or something else completely. **Memoir sweepers ent** Something is ridiculously sexy about having a girl next door to you who you aren't banging and who seems to basically hate your guts, **Sweeper kindle unlimited** Daphney Clarke (Ducky) has her own reasons for a new start in London: **Sweeper kopen** Bartending at the Old George and property managing her brother's apartment block is a way of merely subsidising her wage until her actual career takes off. **Sweeper ebookee** From the first encounter with her new tenant/neighbour Zander she instinctively knows he will be one naughty and annoying distraction: **Sweeper ebook reader** And if you don't like me I'm pretty much a golden retriever: **Memoir sweepers ent** "There is no denying Zander is completely besotted with Daphney once he's removed his foot from his mouth, **Book sweepstakes** And as he unintentionally becomes a thorn in her side Daphney will not revealing she's smitten anytime soon, **Book sweepstakes** She's a jersey-wearer...and those chicks are the holy grail of hot girls: **Contemporary sweeper vacuum** Although Sweeper is a spinoff from the Harris Brothers Series (which I haven't yet read) it can be read as a standalone. **Sweeperagent** I love how this author effortlessly combines humour romance and a story of substance, **Sweeper karcher** Because behind Zander's cockiness he was quite dorky and endearing while Daphney was the perfect vulnerable ball buster. **Booksweeps** 328 I can't believe the early reviews are saying that Sweeper is rivaling Blindsided! I thought Blindsided would be the peak of my career! hahaah: **Sweeperagent** When he arrives he meets Daphney who also happens to be his landlord's sister- and his new wall neighbor: **Sweeper attachment** Their first interaction had me cracking up; he tries to be suave and smooth but she just laughs because she's feisty lol. **Sweeper kindle unlimited** Daphney is a musician who generally writes jingles for commercials: **Sweeper ebooks online** She's been burned by the music industry before more specifically someone she trusted, **Booksweeps**

login She has goals in mind but is afraid to be hurt again, **Sweeper for sale** In the meantime Xander please but has the shadow of that letter written by his mom: **Memoir sweeper broom** He wants to find out the truth and because his maybe- birthfather lives there he will do whatever he needs to do to find out the truth about his origin. **Memoir sweeper broom** Coincidentally Daphney's close to his maybe-birth father's family... so he's willing to find ways of getting the info he needs. **Book sweepstakes** Sure- Zander was a manhoar before but he hasn't been with anyone in a loooong time: **Memoir sweeper broom** Their first kiss was awkward (30%) but once Zander wakes up from the shock-kiss his alphaness takes over ☐☐. **Book sweepstakes 2022** That REDEMPTION SMEXY TIME will live RENT-FREE in my head forever ☐ . **Sweeperagent** His alphaness his way of being all-about Daphney his aggressiveness and stamina ☐☐ oh SWEET baby THAT IS ALL HOLY. **Booksweeps** Now that I've recovered from reliving that amazing redemption scene (I need a glass of wine) this book was amazing, **Sweeper contemporary** There were times I was an emotional mess- going through a loss is never easy- even if it happened years before- and both Zander and Daphney share that grief: **Sweeper kopen** But I also laughed so much- and the swoon factor was off-the-charts sometimes: **Sweeper kopen** It causes him to question everything make changes in where he is playing and he ends up playing in one of the top London Football clubs: **Memoir sweepers ent** They may share a wall separating them from each other but Daphney has her own personal walls built to protect her from the past romantic mistakes she made: **Sweeper attachment** No amount of charm sexiness or smiles is going to get her to concede. **Booksweeps** Zander is definitely interested in Dapheny but he also has other major things on his mind too. **Memoir sweeper** I love Amy Daws's writing and how she frames her stories: **Kindle sweeper truck** I was a little concerned with this one though and felt serious angst re all that was happening with Zander and his family and relationships. **Booksweeps promo** I thought Duckie was smart sassy and fun and with Zander a good match: **Sweeper kopen** ~~~~~ Before Reading ~~~~~April 8 2021It seems we are getting more from Ms, **Sweeperagent** Daws Woo Hoo!Sweeper-October 7 2021 For more Reviews Free E-books and Giveaways 328 I can't even begin to describe how excited I was to read Sweeper by Amy Daws, **EBook sweeper broom** Zander Williams the surprise Harris brother took me by complete surprise as I read the last few pages of Replay last year. **Sweeper kindle unlimited** Sweeper totally encompasses all of my favorite things that I love about this series, **Sweeper karcher** Zander was born and raised in Boston and was a star soccer player in the USA, **Memoir sweeper broom** He is recruited by Bethnal Green Football Club in London and accepts their offer as he learns life changing news about his paternal father: **Booksweeps** Loved their meet cute as neighbors and really just every little thing about her: **Book sweepstakes 2022** I admired how she was betrayed in the worst way by her ex and rose above it holding her head high and moving forward: **EBook sweeper truck** Loved how she wasn't materialistic and worked hard at several jobs to make her own dreams come true and pay off a debt, **The street sweeper book** I can just imagine Zander's sexy smirk as well as him just relaxing and hanging out. **Booksweeps** I loved how they each needed a friend and were there for each other catching unfamiliar feelings and each other by surprise: **Sweeper kopen** My cheeks hurt from smiling there were so many funny and sweet scenes but there was also Zander's underlying torment as to not knowing who his birth father was: **Booksweeps promo** His dad the man who raised him had passed the year before and it was heartbreaking to read how close they were, **Pdf sweep** It was also emotional to read about his mom's depressive state and his anger over the secret she has been keeping for his entire life: **Sweeperagent** You felt his pain on the pitch watching what could be his brothers and father and how he was conflicted over what to do, **Sweeper ebooks free** It all unfolds so organically and you will be there right there with them through it all because Amy Daws is such a gifted storyteller. **Sweeperagent** Amy's stories always draw me in and I actually block out a five-hour window so I can read straight through: **Booksweeps** She really knows her European football and the tension is so palpable while they are practicing or playing: **Sweeper attachment** Loads of sexy times as Daphney and Zander have so much passion! They steam up the sheets and take their friends with benefits to a whole new level. **Memoir sweepers ent** Their chemistry is insane and I love how much she trusts

him lets down her guard and lets him in, **Sweeper karcher** That is until she learns of his purpose for being in London and can trust him no more. **Booksweeps** People are human and I love how Daphne and Zander's relationship progressed into something beautiful and real and how they were able to work through it: **The chimney sweeper analysis pdf** I admired how even though she was hurt she had grace and empathy and the support of her extended family who led by example. **Booksweeps login** Daphne was so classy and selfless and so deserving of love, **Memoir sweeper broom** Yet the manner of how it was laid out I just couldn't connect with Sweeper as I would've hoped: **Sweeperagent** I didn't hate it but I was quite bored through the first half tbh & my interest was intermittent at best in the second half: **Sweeperagent** Perhaps because in the beginning through the first half the story seemed to veer towards a little aimless maybe: **Sweeper kopen** There was just something a bit amiss that kept me from connecting fully with the characters. **Contemporary sweeper vacuum** I guess it was things like Daphney's annoyance/dislike of Zander lacked conviction: **Sweeper booking** There are also those intangibles that seal it that I just didn't get from this one. **Memoir sweepers ent** All that said after looking at other reviews I think I'm just the outlier here. **Sweeper attachment** Which isn't necessarily unusual for me so taking this with a grain of salt is probably best. **EBook sweepers ent** 328 Playful and angsty I'll offer up the unpopular opinion on this one because - while I liked it - I can easily identify some things that really bugged me, **Sweeperagent** There's a lot to love about this from the vulnerable hero to the banter to the sense of community, **Booksweeps jobs** While this will technically read as a standalone anyone who has been following the series will appreciate the interconnectivity and rich history woven into these characters: **Sweeper for sale** The only bright spot in his life is the girl next door and he's not even sure that she likes him, **Booksweeps login** Their chemistry was great and I loved the playfulness of their interactions. **Memoir sweeper broom** The story follows Zander an American soccer player who has been recruited to play overseas. **Booksweeps** It should be an amazing exciting time in his life but the sports star recently lost his father and learned that his mother has been hiding a secret his whole life. **Book sweepstakes** That means the former manhoe and carefree guy has the weight of the world on his shoulders: **Booksweeps promo** He'd love to have some no strings fun with the beautiful girl but Zander seems to have lost his game around her, **Sweeper karcher** As the two run into each other again and again - they're neighbors after all - Daphney finds it impossible to ignore her attraction, **Memoir sweepers ent** Zander might not be the right guy for forever but surely they can have some fun in the meantime: **Booksweeps bookbub** This was a solid 4-star read for me for the majority of the book but my enjoyment had fallen by the end. **Christmas sweeper 3 for kindle** It's essentially a slower burn AND THEN a friends with benefits story so it felt like it took a long long time before actual feelings entered the equation. **Booksweeps** Sure we had a few scenes that seemed to advance the relationship but then something would happen to move them decidedly back into the casual zone: **Sweeperagent** And then the transition from casual to more seemed to have been summarized in a paragraph or two so, **Memoir sweepers ent** There were also a few tone deaf jokes and one scene that was a total turn-off: **Memoir sweepers ent** In the end it's smaller issues that hold me back from a higher rating, **Sweepers pfp** I liked the vast majority of the book loved parts of it and really appreciated being back in this world again[1]

This definitely didn't wow me. It was yours the moment that you read that book. I'm late to the Amy Daws party but I'm catching up. He's a footballer. I roll my eyes. And he's annoying. The best ones always are. I love Zander. Daphney. And I told you I'm a cat person. Their banter is awesome. Daphney is dealing with stuff from her past. But everything about them is deeper than it seems. One kiss however changes all of it. As it turns out that may prove dangerous. For both of them. (.) If you were there I was home. There's only them. Yep Zander and Daphney are pretty much perfect. I was so intrigued by Zander and his situation. Zander meets Daphney his first day in London. Family. I wasn't disappointed. This one was emotional sweet fun and steamy. The audiobook was amazing as usual. 5 Stars Overall Opinion: Eh. I guess I'd say I was underwhelmed. I also didn't like the h. Overall Pace of Story: Good. I never skimmed and I thought it flowed well. Instalove: No they take a while to

develop stronger feelings. H (Hero) rating: 4 stars. Zander. I liked him. I appreciated his humor and loyalty. I thought he deserved better than the h tbh. h (heroine) rating: 2 stars. Daphne. I really struggled with her. "I'm actually pretty likeable once you get to know me." She shoots me a rueful smile. "Good for you." "Seriously. Very trainable." I stick my tongue out and pant like a dog. Her adorable nose wrinkles. "I'm more of a cat person. I'm not mad at this realization. Not mad at all. I adored the banter and the character portrayals. Each hiding behind a façade to protect their hearts. Oh the chemistry. And his REDEMPTION smex was . Zander. Wow. Just wow . Not good. Replay <https://www.goodreads.com/review/show>. Sweeper <https://www.goodreads.com/review/show>. Daphney had me at hello and I loved her from the start. 328 2. Idk. If that makes sense . So there's a lot of good stuff going on.
