

The Matchmaker and the Marquess (Second Chance Manor, #1) By Scarlett Scott English If I could give this enemies to lovers story a 10 star I would! She is used to being the one to doing the matchmaking but fate has a way of matchmaking for her with the one person who hates her the most. He wants nothing more than to leave the dreadful house party full of innocent wed minded women but especially once he discovers that the one woman he despises in the world is at the party but due to a buzzing insect he can't just leave her in pain etc so he sets out for revenge for what she did to him. I promise you won't regret it! Lots of laughter.

USA TODAY bestselling author Scarlett Scott writes steamy Victorian and Regency historical romances with strong intelligent heroines and sexy alpha heroes. Oh this is just really funny for so many reasons I would spoil it for those who have not read the book! In the process of helping her they find themselves in a compromising position and are discovered by the hostess of the country house party. They each are so different from each other and Lady Charity is so funny! But this book is a page turner and draws you into the characters! The attraction between them grows and they find themselves falling in love. And of course steam! I received this as an advanced copy in exchange for an honest review from the Author in an exchange for an honest review and these are purely my thoughts and no one else's views English A definite buy! This is the first in the Second Chance Manor Series. The series is off to an excellent start and I am excited for the next book! This early review was given in exchange for an ARC of the book but you honestly can't go wrong with any of Scarlett's books! English We have Dorset the charming marquess whose heart was broken when his fiancée was caught in a compromising situation and had to break her engagement and marry another man and the woman responsible for this debacle a lady notorious for her ability to catch couples in compromising situations so they have to marry,

And an incident that leads to a false betrothal these two discover the real people beneath the faces they show to the world, Loved going on the journey with this couple and look forward to reading about the other couples attending the party: But after awhile they both realize that fate has other plans for them: They fall head over heels for each other with the help of a little fur ball: I lol forward to the rest of the stories in this collection Add this to your must read list. She lives in Pennsylvania with her Canadian husband their adorable identical twins and one TV loving dog. She lives in Pennsylvania with her Canadian husband their adorable identical twins and one TV loving dog, For Scarlett's latest releases exclusive excerpts contests and visit her website {site_link} {site_link} You are cordially invited to the country house party of the summer, Five years ago six exceptional ladies graduated from Twittingham Academy and successfully nabbed themselves the most sought-after matrimonial prizes in London: But the Countess of Fangfoss formerly known as Miss Julia Twittingham has a plan to see each of her past charges happily wed after all, Lady Clementine Hammond has earned her reputation as society's most notorious matchmaker by catching couples in compromising positions: One small misstep at a country house party however leaves her with no choice but to become engaged to the most odious rogue she has ever met. After losing the woman he loved to a romantic rival the Marquess of Dorset has devoted himself to cultivating his reputation as a rakehell of the first order: When the unlikeable Lady Clementine quite literally gets a bee up her skirts he reluctantly plays the gallant only to find himself having to offer her marriage, Each is desperate to escape an unwanted union to the other, They agree to maintain a pretense for the house party's duration with plans to discreetly break their engagement when they return to London. Until their temporary betrothal starts to feel far too real and one kiss leads to another. The Matchmaker and the Marquess (Second Chance Manor #1) This is the beginning of a sexy Victorian romance series, The Matchmaker and the Marquess is the first book in a series of Second Chance Manor #1, This is the story of Lady Clementine a known matchmaker and the Marquess of Dorset: It's so funny how he reluctantly goes to her rescue from a bee! It flew up her gown and he tries to

help her get it out, The Marquess proposes to Lady Clementine!As the storyline progresses Lady Clementines friends add so much to the storyline. I loved this book and am looking forward to reading the next book!I was given an arc through BookFunnel by the author for an honest review. English 4 StarsThere is comfort in familiarity especially when you read Scarlett Scott, A gallant rake of Marquess to assist caught with his hands under her skirts, Quick Review- I always adore anything that is written by Ms Scott: A little OTT with the plot concept but who's complaining? Not me. - Reformed rakes and fake betrothal are some of my favourite tropes which I enjoyed reading them here, - Nice characters a quick plot no angst some humour clean-ish book (Ms Scott had told me it was going to be low on steam) fast-paced with sweet romance. - Clementine was a little annoying initially with the he is a rakehell loop but I got over it: - Ambrose was your typical HR handsome rake hero with a broken heart, My RecommendationLooks like a fun OTT series for a quick read and enjoyment. English 35 stars! English ██████████Shorter book in Scarlett's repertoire this time but still very good, Great characters with some quite entertaining and satisfying chemistry going on between the Marquess and his Lady: Wether he wants that chemistry or not let's just say it's not what he was looking for at the time: Some great scenes between the To leads that will have you giggling. I just adore Scarlett's books she's got everything I look for in an author and puts it all out there every time: I received an Arc copy of this book and chose to post this review English rtc English Seriously besotted with DorsetI love me a rake. I am a huge fan and storytelling was- EngagingHumorousPage TurningDelight! Chemistry and tension such a delicious mix between the main characters, Lady Clementine Hammond has a reputation for being a matchmaker since she has caught several couples in compromising situations and pushed them into marrying, Ambrose the Marquess of Dorset lost his first love to one of Clementine's matches and has since gone a-raking. Forced together at a house party lots of love wonderful happily ever after: Here we meet the Marquess of Dorset who has found himself at a house party not for bored wives looking for a lover and fun but rather unwed ladies who need a husband, Certainly not what he had in mind! While pondering leaving he comes across Lady Clementine who previously caused his engagement to come to an end: I truly adored Ambrose his witty commentary and reluctant charm had me from page 1. Clementine's snarky and quick witted personality stand up brilliantly to Ambrose. Their constant banter will have you laughing/smiling throughout the book: As the story unfolds it was interesting to see what was behind Clementines past actions and I enjoyed watching Ambrose grow as a character, He resents her very much and when he's caught between her legs trying to help her with a bee (!!!) He proposes marriage, Of course he only wants his revenge on her and wants to jilt her as soon as he can but he finds out she's not what he thought. Actually this is a nice and entertaining reading with low angst. It happens during a short period of time (days) during a country party, Even if both were previously in love with other partners this is not emphasized too much and they both find themselves strongly attracted to each other. Highly recommend. Actually they didn't. Not one of them. Welcome to Second Chance Manor. She's perfectly happy remaining unwed herself. Also the most handsome. Clementine loathes rakes. Dorset despises prim and proper ladies. Everything is unfolding according to plan. Steam level: Scorching hot! Don't say you weren't warned. Each book is written by different authors. Plot SummaryA house party. A woman in a garden. A rogue bee under her skirts. A fake engagement announcement to stave off the scandal. Real love and HEA. This book was no exception. - What a charming little story. Cute that. Go for it. And Scarlett Scott did not disappoint in this one. This is one story will read over and over again. English Lovely engrossing story of enemies to lovers.Both characters are pleasant.Nice historical reading. English
