

The Garnett Girls By Georgina Moore **Book the garnett girls** My only negative is there's a sudden backtracking to an earlier timeline before and after Richard left and I don't think you need this as the situation is well covered in the present day and so I'm not too keen on this. **The garnett girls book** Alcohol plays a big part in the storyline.

## **The garnett girls book**

In this brilliant debut novel full of heart and warmth three very different sisters--and their free-spirited mother--must grapple with life responsibilities and family secrets. **The garnett girls book** The Garnett Girls The opening parts of this book that have a family on a beach made me feel quite nostalgic for my own childhood then when it all turns to chaos it felt so familiar. **The garnett girls book** Sensitive Imogen is a playwright she's engaged to steady William whose marriage proposal in Venice is not especially romantic! Sasha in the past is known to be the fun one but marriage to Phil firmly put a stop to that. **Book the garnett girls** Their mother is Margot a journalist whose impending 60th birthday forces a reflection on the indignities of aging and the looming bus pass but for now she is an enthusiastic partner of a much younger lover. **Book the garnett girls** All the characters are well portrayed they're flawed but likeable even if they're a bit maddening you'd still crave an invitation to one of Margot's famous parties! The dynamics are really interesting between them and this ebbs and flows. **The garnett girls book** The portraits of the various marriages is done well and you get a really peaky ringside seat inside them! The setting Margo struggled to cope her sister Alice helped out when she could and her eldest daughter Rachel took care of her younger sisters Imogen and Sasha. **Book the garnett girls** All three of the Garnett sisters are struggling with personal issues Rachel wants to live in London the responsibly of Sandcove an old crumbling house with its dodgy heating is a big financial burden and one she doesn't need. **The garnett girls waterstones** Imogen is engaged to William everyone is pressuring them to set a wedding date and she's not sure if William is the one? Sasha is the youngest sister she's married to Phil he's controlling he hates visiting Sandgrove and dislikes her family. **The garnett girls by georgina moore** A big secret is revealed and this certainly throws a cat amongst the pigeons the story highlights the damage caused by consuming too much alcohol and how hard it is to live with an alcoholic. **The garnett girls book** Four stars from me it was difficult to be a wife mother and work in the 1990's not a lot of support many women struggled and they couldn't complain and simply had to soldier on. **The garnett girls waterstones** Not that it stops Margo from still treating the house like her own and holding court with a seemingly hedonistic lifestyle despite having her own cottage 'The Other Place' nearby. **The garnett girls book** Sandcove is almost a character in itself a big rambling house now needing repair but it has always been home and its where Margo and the love of her life Richard began their family. **Book the garnett girls** Rachel the eldest has had to shoulder the most responsibility from a young age and feels trapped in her current life at Sandcove whereas Sasha the youngest feels the absence of her father the most. **The garnett girls georgina moore** Addiction extra marital affairs sexuality and controlling behaviour are all part of this character driven novel which gives rather more depth to the story than the pretty cover might suggest. **The garnett girls by georgina moore** The vividly described setting of the Island which I loved and which is so familiar to me the complex and at times oh so frustrating characters - both main and supporting made so authentic by their flaws and mistakes. **The garnett girls georgina moore kindle** For purely personal reasons there was one aspect of the book that made me cry although its not a sad or downhearted read by any means but rather one that ultimately celebrates family and love. **The garnett girls book** \*\*Thank you to HarperCollins Australia for sending me a free advance readers copy of this novel; published 1 February 2023\*\* Margo and Richard's love affair was the stuff legends are made of - forbidden passionate all-encompassing. **The garnett girls georgina moore review** The Garnett women are apparently incapable of all getting together without disintegrating into a family disagreement - in one way it felt realistic as they were clearly dysfunctional but then other times it felt exaggerated like they were just looking for a reason to

argue. **Garnet girl cherry tree** The Garnett Girls

The Garnett Girls was a glorious debut from Georgina Moore at no point would you ever guess this was Moore's first outing on the publishing stage so assured was the writing. **Book the garnett girls** I read this book over the gloomiest greyest of January days and it fully transported me to the beautiful setting of the Isle of Wight and Sandcove so much so I could almost smell the salt water and feel the wind on my face. **The garnett girls book** The story centres around Margo and her three daughters whose lives all seem enviable from the outside but all characters are working through their own issues and grappling with the past and their relationships with each other. **The garnett girls georgina moore** For me it also had a personal sense of nostalgia when I was 15 I picked up A Circle of Friends by Maeve Binchy and I was lost to her as a writer I quickly read everything else she'd written but always coming back to A Circle of Friends. **Book the garnett girls** I felt as if I knew Margo and the girls and wanted to be friends with them and sip Negronis I wanted to be at the parties in Sandcove and on the beach on Boxing day. **The garnett girls book** The Garnett Girls I really enjoyed this family drama about a mother and her three daughters who have a fraught relationship after their father walked out on them all when the youngest was only 4 years old. **The garnett girls by georgina moore** Is it because of this that all 3 daughters struggle to find happiness? I found The Garnett Girls very engaging and loved the intertwining of relationships and also the settings between London and the Isle of Wight. **The garnett girls review** Atmospheric well written & with some brilliant (but completely flawed) characters I highly recommend The Garnett Girls for anyone who loves an epic family drama! The Garnett Girls The Garnett family have secrets bubbling beneath the surface. **The garnett girls georgina moore kindle** Similarly I found the London settings added a sense of relief in me as a reader that echoed the increased freedom the characters felt when they were there so skilled is the writing. **The garnett girls georgina moore review** She writes about family dynamics marriage and relationships shining a mature incisive and totally understanding spotlight that shows the reader exactly who these people are and what makes them behave as they do even whilst the characters themselves don't have self-knowledge or when they do they prefer to deceive themselves. **Book the garnett girls** Similarly the powerful emotional pull between characters particularly between Margo and her daughters is akin to the relentless implacable pull of the tides around the Isle of Wight conveyed by Georgina Moore so effectively. **The garnett girls georgina moore** After being left by her alcoholic husband she fell into a deeply depressed state and became an alcoholic herself self-medicating and neglecting her three daughters the eldest eleven and the youngest four for the months on end. **The garnett girls book** There was a streak of selfishness that ran through her I even saw it in her relationship with her own sister - who incidentally was a splendid character! The dynamics between Margo and each of her daughters was incredibly interesting,

## The garnett girls book

Principally on the Isle of Wight is fantastic and very enticing. **Garnet girl cherry tree** It's used most effectively in the storytelling and I especially like how Imogen uses the history of the small

island in the Solent in her writing. **The garnett girls by georgina moore** This is a book that sort of sneaks up on you and you find yourself fully invested in the Garnett Girls lives: **The garnett girls georgina moore kindle** With thanks to NetGalley and especially to HQ for the much appreciated arc in return for an honest review, **Book the garnett girls** The Garnett Girls Margo Garnett was a teenager when she married Richard O'Leary and her parents were very disappointed with her: **The garnett girls book** When Richard left her.

## **The garnett girls book**

To run wild and refuses to speak of Richard: **The garnett girls review** But her silence keeps the Garnett girls from finding true happiness: **The garnett girls georgina moore kindle** Rachel wants to return to London but feels stuck caring for the crumbling family home on the Isle of Wight. **The garnett girls waterstones** Imogen feels pressure to marry her kind fiancée even though life is taking an unexpected turn, **Book the garnett girls** And Sasha is trapped between her increasingly alienated family and her controlling husband, **Book the garnett girls** She knows the secret behind Richard's departure and it'll be devastating when she reveals it, **The garnett girls book** I'm not sure if I can pin it down to anything specific but I just couldn't really get into this one and didn't enjoy it much: **Book the garnett girls** However in general it has pretty high reviews with a lot of people really enjoying it so it seems clear I'm in the minority with my opinion, **The garnett girls book** I think for me I found all of the main characters slightly irritating. **Garnet girl cherry tree** They were all clearly unhappy with something in their lives but then not really doing anything about it to improve their happiness: **The garnett girls review** Forbidden passionate and all-encompassing Margo and Richard's love affair was the stuff of legend--but ultimately doomed: **Book the garnett girls** When Richard walked out Margo locked herself away leaving her three daughters Rachel Imogen and Sasha to run wild. **The garnett girls book** Years later charismatic Margo entertains lovers and friends in her cottage on the Isle of Wight refusing to ever speak of Richard and her painful past. **Garnet girl cherry tree** But her silence is keeping each of the Garnett girls from finding true happiness: **Book the garnett girls** Rachel is desperate to return to London but is held hostage by responsibility for Sandcove their beloved but crumbling family home, **The garnett girls book** Dreamy Imogen feels the pressure to marry her kind considerate fiancé even when life is taking an unexpected turn. **The garnett girls by georgina moore** Wild passionate Sasha trapped between her fractured family and controlling husband is weighed down by a secret that could shake the family to its core. **The garnett girls by georgina moore** The Garnett Girls the captivating debut novel from Georgina Moore asks whether children can ever be free of the mistakes of their parents. **The garnett girls book** Luckily I didn't have the same childhood the Garnett girls did but I'd happily take the sibling love that's buried deep, **The garnett girls book** A whole host of female characters each one of them memorable from the start (this rarely happens with me) and something to like in all of them. **The garnett girls waterstones** They've got messy complicated relationships within the family and with others. **The garnett girls by georgina moore** The Garnett Girls The Garnett siblings are Rachel Imogen and Sasha: **The garnett girls book** Rachel is married to Gabriel she's a lawyer and definitely the solution finder and a decision maker in this family unit. **Book the garnett girls** Their father Richard an alcoholic abruptly leaves the family when Sasha is four years old. **The garnett girls book** All four Garnett girls are lookers and with brains too! They all hold onto the past which most certainly informs the present especially in their behaviour. **The garnett girls book** Their loves and relationships with partners are very much affected by the loss of their father and by Margot herself which makes for interesting reading. **The garnett girls by georgina moore** It was a lot of responsibility for a ten year old girl Rachel hates her father and has never tried to find him: **The garnett girls book** Rachel is a lawyer she and her husband Gabriel and two daughters live at Sandcove on the Isle of Wight and it's the family home by the seaside. **The garnett girls waterstones** The three Garnett girls are close they love their mother Margo and at times they have found her behavior embarrassing: **The garnett girls book** Margo likes chase younger men

throw wild parties at Sandcove she's rather lively and exuberant person: **The garnett girls georgina moore kindle** I received a copy of The Garnett Girls from NetGalley and Harlequin Australia in exchange for an honest review. **The garnett girls book** It's the author Georgina Moore's debut novel the narrative explores the dynamics of a mother's relationship with her three daughters and how it evolved over the years, **The garnett girls book** In what ways their past and dysfunctional childhood has affected them the choices they have made and their futures: **Book the garnett girls** The Garnett Girls I was really excited about this debut from Georgina Moore and I am delighted to say that it definitely lived up to my expectations: **Book the garnett girls** Set mainly on the Isle of Wight which I have a strong personal connection to there was so much of this story to love. **The garnett girls by georgina moore** There are complex family relationships not only between a mother and her daughters but of that between siblings and also husbands and wives. **The garnett girls book** Margo the matriarch of the family was in the main a forceful character with her three daughters Rachel Imogen and Sasha all very different in temperament and circumstance: **Book the garnett girls** They all have different ambitions and desires and the story explores how the actions from their past have impacted on their lives, **The garnett girls book** At the centre of the story is Sandcove the family home which Margo has since given to Rachel and her family: **The garnett girls review** Margo's refusal to discuss Richard or even mention his name over the years has had an effect on the girls and leads to secrets and resentments which threatens the family dynamics, **The garnett girls georgina moore** It's beautifully written - a family drama with a hint of intrigue as to what secrets may be revealed: **Book the garnett girls** When Richard walked out Margo broke down leaving their daughters Rachel Imogen and Sasha and the long-term effects of alcoholism on everybody in a family: **The garnett girls book** Overall: this one just wasn't my cup of tea for whatever reason, **The garnett girls book** With lots of other readers really enjoying it it's worth a go if the synopsis interests you: **Book the garnett girls** She had a clear idea of who these characters were and where they were going in her plot and she never wavered. **The garnett girls by georgina moore** In recent years I'd almost forgotten those books but I was drawn to this one as soon as I heard about it and reading this book felt like coming home for me. **Garnet girl cherry tree** It has all the ingredients of the best of Binchy the intimate looks into a character the deep and meaningful relationships: **Book the garnett girls** I cannot wait to see what Georgina does next I know I'll be reading it. **The garnett girls book** I want to be a Garnett Girl! Read it on a beach sipping cocktails, **The garnett girls book** Read it when it's dark and gloomy out and you need some escapism. **Book the garnett girls** Just read it! Thank you to the publishers for providing me with an advance copy I knew I would love it, **The garnett girls book** The daughters were forbidden to talk about their father ever again, **Book the garnett girls** I raced through the last 100 pages as we discover whether mother & daughters can resolve their differences: **Book the garnett girls** The prose is achingly beautiful and enormously affecting so that I found myself weeping on more than one occasion, **The garnett girls book** It's not just the stunning descriptions that capture the reader but the thrum of life of longing and of emotion vibrating under the surface of every syllable, **The garnett girls book** The Garnett Girls is not so much a book you read as one you feel, **The garnett girls georgina moore review** Georgina Moore has created a kind of emotional tuning fork in her narrative that the reader experiences viscerally, **The garnett girls book** I loved the Isle of Wight setting because it created a claustrophobic atmosphere that suited the intensity of the narrative, **The garnett girls georgina moore review** It is as if The Garnett Girls could not have been set anywhere else: **The garnett girls georgina moore kindle** The plot has its moments of high drama but that isn't the point of The Garnett Girls. **The garnett girls waterstones** Rather it is a story of how and why Margo Imogen Rachel and Sasha are as they are. **The garnett girls book** Their characters are so acutely observed that it feels as if Georgina Moore has peeled back their physical attributes to expose their very souls. **The garnett girls book** Indeed deception and lies form the bedrock of this story and hold the reader captivated: **The garnett girls book** I loved the way Imogen's play echoes Margo's life so that there are layers and depths to uncover as you read: **The garnett girls review** She creates an atmosphere of brittle hedonism overlaying a murkier realism

and vulnerability that I found incredibly affecting, **The garnett girls book** The Garnett Girls is an intense beautifully wrought portrait of family and the lies we tell especially to ourselves: **The garnett girls georgina moore kindle** It's fierce passionate and affecting and I absolutely loved it, **The garnett girls book** The Garnett Girls Thank you Harlequin for sending us a copy to read and review. **The garnett girls by georgina moore** Who doesn't love a book with a sib squad of sisters a betrayed mother and secrets that will rock the status quo? Get ready to meet the Garnett girls and their mother, **The garnett girls book** Where raw intricate and emotional cracks create chasms and the bonds of family are tested, **The garnett girls georgina moore review** Three sisters sharing the same gene pool are all different and live lives that reflect their wants and needs, **Book the garnett girls** Complications and speculations with in laws part of any family dynamic. **Garnet girl cherry tree** An absent or banished father is the thread that is a constant in all their lives, **Book the garnett girls** The girls mother certainly having grounds to be angry and hurt by his actions cut him from their lives: **Book the garnett girls** Too many festive drinks and loose lips will challenge relationships, **The garnett girls book** Firstly this a great contemporary family saga set around an ancestral home with a cast of extended family characters and partners: **Book the garnett girls** Sisterly relationships are always fascinating but I was drawn to the toxic relationship one of the girls had: **The garnett girls review** The narcissist behaviours and the observations made by the rest of family made for a compelling read, **The garnett girls book** I also really enjoyed the role the Aunt played she anchored the family in a way that was so authentic: **The garnett girls book** A great book out early next year that should find itself on your piles: **Book the garnett girls** I am always partial to a good family story that focuses on sibling/parent relationships and this one was rich in both. **Book the garnett girls** Three sisters their relationships with each other and their mother complex and heavy with so much love so much history and so much unsaid: **The garnett girls georgina moore kindle** I really loved this story and was immediately swept up into their lives: **Book the garnett girls** The girls relied on their aunt the goodwill of neighbours and their own devices to get through. **The garnett girls waterstones** The impact this neglectful period had on them was profound and followed them into adulthood. **Book the garnett girls** Even taking Margo's mental health into account I still found her a hard character to feel any empathy for. **Garnet girl cherry tree** In the present day she was an overbearing overly critical and generally dishonest mother. **Book the garnett girls** It's like I could understand her but not like her not fully accept her behaviour, **The garnett girls georgina moore review** Each had their own relationship with her and each had their own opinions on the stain their childhood had left upon them: **Book the garnett girls** None of them had a relationship with their father and in fact Margo insisted that he be wiped out of their lives never to even be spoken of again, **The garnett girls book** Out of all the relationships woven throughout this novel it is that of the sisters with each other that I really enjoyed reading, **The garnett girls book** Three very different women all with their own trauma wounds from their shared childhood. **The garnett girls waterstones** The way in which the dynamics between them were portrayed was wholly realistic, **The garnett girls georgina moore review** The Garnett Girls is a fine debut and I will be keen to read more from this author in the future: **The garnett girls review** Highly recommended - a five star read! Thanks to the publisher for the early review copy. This is an enjoyable read and a promising debut novel. I very much enjoyed reading about them all. A cracking debut. This is their story as the past and present collide. This is a well written character driven novel. The Garnett Girls is a wonderfully immersive read. Highly recommended for your reading piles. The Garnett Girls

\*[www.onewomansbbr.wordpress.com](http://www.onewomansbbr.wordpress.com)\*[www.facebook.com/onewomansbbr](http://www.facebook.com/onewomansbbr)The Garnett Girls by Georgina Moore. (2023). But ultimately doomed. To sum it up I felt in safe hands. The Garnett Girls is an astonishing debut. They have selected partners and live their own truths. Repercussions of this decision bound to have a fallout. The Garnett Girls This one was a most surprising debut. It was hard to not dislike Margo. I really loved this story for that. The Garnett Girls.
