" Personal and sometimes humorous stories prove that statement correct as lessons and examples are shared that will prompt readers to become more valuable—at home in the workplace as a parent and in every endeavor. If you ever have a chance to listen to the audio book series of the same name it is actually a collection of several of Jim's seminars put together in a sledge hammer of self revelation & personal development. Major lessons: Start a library read the books be responsible for your own education set goals become more valuable to the marketplace small daily activities performed over a long period of time have huge results (an apple a day.

But it can take you down some dark roads if you don't read the fine print: Part of your legacy to the next generation can be the pictures and documentation you've made of your life: I can't tell you how many times I've listened to this audiobook: Jim Rohn believed you can accomplish anything that you set your mind to do, Highly recommended for anyone who wants to learn the art of exceptional living. 9780743529068 Jim Rohn it the most influential author whose material I've consumed so far. Be a student of Jim Rohn if you desire a higher order of thinking. El autor recalca: "El mayor valor en la vida no es lo que obtienes—el mayor valor en la vida es en lo que te conviertes": Historias personales y a veces humorísticas demuestran que esa afirmación es correcta.

I can only say that this was the book that has changed my thinking about my life. I actually had this book on CD and because of me traveling with my job i was able to listen to this book many times, 9780743529068 Nearly every house valued over \$200000 has a library in it. Now why do you think that is? Jim Rohn motivational speaker and business genius was almost a kinder gentler Tony Robbins. Originally from Iowa he uses common sense and a storytelling style in an effort to encourage listeners to improve their lives. This audiobook presentation is a mix of live presentations and studio-recorded bits, Personally I think he was better in front of a live audience but there was plenty to take away from in both sections. Here's some of what he shares in this audiobook: Read learn journal. Write down your goals and then take a minute to look at the passing days weeks and months and see what you've accomplished: If you don't you may seriously regret it maybe not today or tomorrow but in the years to come you'll wish you took a minute to invest in yourself. Work hard on yourself and you'll make a fortune! Rohn insists that anyone can be exceptional: He says success in business (and life) comes from small positive steps taken consistently over time, That type of approach really works for most any goal or dream you may have: It seems like a simple thing and he's such a fantastic motivator, According to success expert Jim Rohn "you don't have to do exceptional things at all: " Short basic information but powerful ideas to ponder & implement: He reiterates to work on yourself continuously & do your best in every situation. I think about the famous quote by Howard Thurman "Don't ask yourself what the world needs. Ask yourself what makes you come alive and go do that because what the world needs is people who have come alive. " this book is essentially that when you do your best and focus on continuous improvement & personal development you can do bigger things and affect the world around you: What surprised me was the intensity the sincerity & the passion that came across from his delivery: The content was rich and the message truly thought provoking, * The greatest value in life is not what you get it's what you become: * Learn to work harder on yourself than you do on your job: * Formula for Failure: a few errors in judgment repeated every day. * A guy who has an empty bank account probably has high cholesterol, * Formula for Success: a few simple disciplines practiced every day: It is a very short simple and sweet educational CD but without one of the must have collection for anyone: Overall - A 10 out of 10 for this timeless treasure from a truly great man whom I consider the father of Personal Development, com 9780743529068 EL ARTE DE LA VIDA EXCEPCIONAL Tu guía para obtener vida disfrutar de felicidad y lograr progreso diario imparabile: Las excepcionales soluciones personales y empresariales de Jim Rohn culminan en este libro poderoso a la vez que sencillo y directo El arte de la vida excepcional.
