Kindle Edition £0.00 Paperback Salvatore has sat on my kindle for months. Then yesterday I was in a book slump hard. This book is that good. I absolutely Kindle Edition £0. A 'mafia' book where nothing is as it first appears. I obeyed. I played my part. I signed my name and gave away my life. That was five years ago. Then came the time for him to claim me. For Salvatore Benedetti to own me. I had vowed vengeance. I had learned hate. I expected a monster one I would destroy. But nothing is ever black or white. No one is either good or evil. For all his darkness I saw his light. For all his evil I saw his good. I was his and he was mine. My very own monster. Salvatore I owned the DeMarco Mafia Princess. She belonged to me now. We had won and they had lost. Next in line to rule the Benedetti Family. Lucia DeMarco was the spoils of war. Mine to do with as I pleased. It was my duty to break her. To make her life a living hell. My soul was dark I was hell bound. And there was no way out not for either of us. It's how it had always been. How I believed it would always be. Until Lucia
