Beaucoup de photos indites qui sont trs rvlatrices du groupe, **The beatles book** class=a span9 a align center prodDetSectionEntry> 176 pages Lo compre porque lo vi en un documental. Esta muy bien y me gusta mucho aunque esta en inglés. The seller HelenasBooks19 is a first class operation. This book was received in great condition. The price was fair seeing as how it is out of print. Very pleased with care in packing. I wholeheartedly recommend this seller
